OSAA BASEBALL POLICIES

1. OSAA ADOPTED RULES AND INTERPRETATIONS – The NFHS 2009 Baseball Rules Book will be used.

2. PARTICIPATION LIMITATIONS – (OSAA Handbook, Participation Limitations)

- a. **Team** – A school team shall not play more than 26 games at each level of competition, exclusive of varsity district playoffs and state championships.
- b. **Individual** – A student shall not participate in more than 26 games, exclusive of varsity district playoffs and state championships. A student may compete in only one jamboree.

If a student participates in no more than 7 innings on one day (i.e. 4 innings junior varsity, 3 innings varsity), the student is charged with participation in one game. For every additional 7 innings played, or portion thereof, the student is charged with an additional game of participation.

A game that goes into extra innings is considered an extension of the 7th inning and only counts as one inning played.

NOTE: The OSAA pitching limitation, which states that participation for any length of time in an inning as a pitcher shall count as one inning, applies during extra innings.

- c. **Jamboree** – A school may participate in only one jamboree at each level of competition, and it shall not be counted as a contest. Jamborees may be held only on the first playing date and for 30 days thereafter. A jamboree is limited to not more than six innings (three or more teams) and limited to not more than two innings against any school and with each pitcher limited to not more than two innings.
- d. **Pitching Limitation** – A pitcher shall not pitch more than 12 innings on three consecutive days. Appearance in an inning counts as one inning.

EXAMPLE: If he pitches two innings one day and four innings the second day, he is eligible to pitch only six innings the third day. The number of innings pitched the previous two days must be taken into account in figuring the number of innings he is eligible to pitch on the third day. Participation for any length of time in an inning as pitcher shall count as one inning.

The easiest manner in which to determine a pitcher's eligibility is to total the innings he has pitched in the previous two days and subtract the total from 12. The difference between these two figures will be the innings he is eligible to pitch on the third day.

The penalty if a baseball player pitches in more than 12 innings in a three-day period is forfeiture of the contest in which the pitcher exceeds his limit.

3. INTERRUPTED CONTESTS – (OSAA Handbook, Interrupted Contests) Following is the policy concerning interrupted athletic contests. NOTE: For state championship final games, the OSAA office shall take jurisdiction and make any decisions rather than the schools involved.

- a. For darkness and/or weather:
 - 1) If fewer than 4 and 1/2 or 5 innings have been played, the game shall be replayed in its entirety.
 - 2) If 4 and 1/2 (home team ahead) or 5 innings have been played and the score is not tied, the contest is declared an official game.
 - 3) If play has gone beyond five full innings, teams have had an equal number of completed turns at bat and the score is tied, the game is declared no contest and must be completely replayed.
 - 4) If play has gone beyond five full innings and is called when the teams have not had an equal number of completed turns at bat, the score shall be the same as it was at the end of the last completed inning, unless the home team in its half of the incomplete inning, scores a run (or runs) which equals or exceeds the opponent's score, in which case, the final score shall be recorded when the game is called. If the score was tied at the end of the last completed inning, the game is declared no contest and must be completely replayed.
 - 5) If the two schools mutually agree or if there is an athletic district policy, the game need not be replayed if it has no bearing on state championship representation. (Fall 2008)
- b. For other reasons, among which include light failure, sprinkler system, etc., the contest shall continue from the point of interruption unless the teams mutually agree otherwise or there are athletic district rules that apply.

4. CONTESTS – SPORTSMANSHIP – CROWD CONTROL – (OSAA Handbook, Rules)

- a. **Sportsmanship Responsibility** – The high school principal, coach and other responsible officials of each member school shall take all reasonable measures to insure that the school's students and supporters maintain a sportsmanlike attitude toward all events so that events may be conducted without unreasonable danger or disorder. When a petition is filed alleging violation of this Rule 3-2, the Executive Director may, at his/her discretion and with concurrence of any two Executive Board members, postpone any pending event which the Executive Director has reason to believe cannot be conducted without an unreasonable danger of disorder. All such protests shall be referred to the Executive Board, which shall proceed as provided in Rule 4. In addition to any other action the Executive Board may take regarding a protest alleging a violation of this Rule 3-2, the Executive Board shall have the power to cancel or re-schedule the event involved, or to impose conditions on conducting it.
- b. **Sportsmanship Violations / Penalties** – When the students, staff or supporters of any member school engage in unsportsmanlike conduct, disorder or infliction of damage to persons or property in connection with any festival, meet, contest or tournament sponsored by this Association, the Executive Board may treat such acts as a violation by the school of the Rules of the Association. Any school whose students, supporters, rooters or partisans take part in riots, fights, pilfering, painting or any other unsportsmanlike conduct shall be subject to penalty.

5. SPECTATOR CONDUCT AT OSAA EVENTS: (OSAA Handbook, Rules)

In addition to the general expectations included in the OSAA Constitution, Rule 3, that school officials "...shall take all reasonable measures to ensure that the school's students and supporters maintain a sportsmanlike attitude toward all events..." the following specific expectations regarding spectator conduct at all OSAA sanctioned events, including regular and post season competition, are provided:

(Revised Fall 2008)

- a. Spectators are not permitted to have signs or banners (larger than 8 ½ by 11 inches), confetti, balloons or glass containers. Spectators are required to wear shirts.
- b. Spectators are not permitted to have artificial noisemakers. Some examples of artificial noisemakers are Thunder Stix, cowbells, clappers and air horns.

- c. Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language. Spectators shall not be permitted to engage in any racially / culturally insensitive action.
(Revised Fall 2008)
- d. All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Some examples of inappropriate conduct or actions that are not permitted are: turning backs, holding up newspapers or jeering at cheerleaders during opposing team introductions; disrespecting players by name, number or position; negative cheers or chants; throwing objects on the floor.
(Revised Fall 2008)
- e. Spectators who fail to comply with Association or site management spectator conduct expectations may be expelled from the contest.
(Revised Fall 2008)

6. **GUIDELINES FOR LIGHTNING SAFETY** – (Excerpts from NFHS Sports Medicine Handbook)

a. **Recognition**

Weather can be monitored using the following methods:

Monitor Weather Patterns – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and the morning of the practice or competition, and by scanning the sky for signs of potential thunderstorms.

Flash to Bang – This method is used to assess how far away lightning is striking. It is determined by counting the number of seconds it takes to hear a clap of thunder after witnessing a flash of lightning. The number of seconds is then divided by five to get the distance, in miles to the lightning flash. Generally, a 30-second or less flash to bang count suggests removal of the athletes from the field to a safe shelter.

National Weather Service (NWS) – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area and for everyone to take proper precautions.

b. **Management**

Evacuation – If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators should evacuate to available safe structures or shelters. A list of the closest safe structures should be announce and displayed on placards at all athletic venues.

Thirty-minute rule – Once lightning has been recognized, it is recommended to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. Any subsequent lightning or thunder after the beginning of the 30-minute count should reset the clock and another count should begin.

c. **Prevention**

In order to prevent lightning related injuries, it is important to formulate and implement a proactive, comprehensive lightning emergency plan. The plan should include:

- Advance Planning
- A systematic approach for monitoring local weather conditions
- Education of staff to recognize sign of nearby lightning activity
- Criteria for suspension and resumption of play
- Evacuation plan including nearby safe shelters
- Periodic review and practice of the plan by appropriate high school personnel

7. **10-RUN RULE** – Leagues have the option to adopt the 10-run rule for regular season play. In non-league contests the league adoption of the home team will apply. The 10-run rule will NOT be in effect in state playoffs and state championship games.

8. OSAA BASEBALL RULES BOOK OPTIONS

Athletic directors and baseball coaches are reminded that Oregon treats the various options provided in the *2009 National Federation Baseball Rules Books* on page 70 as follows:

1-2-9 Oregon has not adopted the double first base.

2-33-1 Optional speed-up rules (see below)

4-2-2 The 10-run rule will be optional by league adoption for all regular season games. (see 10-Run Rule above)

4-2-4 There are no suspended games in Oregon. If it is not a regulation game with a winner determined, it must be replayed entirely. However, an athletic district may adopt a rule that the game will not be replayed and will not count in the standings.

4-5-1 Protests based on application of playing rules or on judgment of game officials will not be heard.

NOTE: Umpires are expected to enforce the rules as printed with the above options.

9. OPTIONAL SPEED-UP RULES – (may be adopted by an athletic district (league), but will NOT be in effect for state playoffs.)

a. Courtesy Runners

- 1) At any time the team at bat may use courtesy runners for the pitcher and/or the catcher.
- 2) The same runner may not be used for both positions.
- 3) Neither the pitcher nor the catcher will be required to leave the game under such circumstances.
- 4) Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners.
- 5) A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a substitute for another player in that half inning. If an injury, illness or ejection occurs and no other runners are available, the courtesy runner may be used as a substitute.
- 6) The umpire-in-chief shall record and announce to the scorer, courtesy runner participation.
- 7) A player who violates the courtesy runner rule is considered to be an illegal substitute.

EXCEPTION: Should an injury, illness or ejection occur to the courtesy runner, another courtesy runner for the pitcher or catcher may run.

b. After Putouts

- 1) After a putout in the outfield and with no runners on base, the ball shall be thrown to a cutoff man and, if desired, to one additional infielder before being returned to the pitcher for delivery to the next batter.
- 2) After a putout in the infield and with no runners on base, the ball shall be returned directly to the pitcher.
- 3) Following the final out in any inning, the ball shall be given to the nearest umpire. The plate umpire shall give the ball to the catcher. The base umpire shall place the ball on the pitcher's plate.

10. EJECTION POLICY

a. BP 22 – Ejection Policies – Coach Ejected; Contest Forfeited

If a coach is ejected from a contest and that contest is forfeited, such incident must be reported to the OSAA office by the schools involved and also by the contest officials. If a coach is ejected and the game is not forfeited, it is the school's responsibility to be certain that any such person who does assume the coaching responsibilities in such a situation meets the requirements of that school district.

b. BP 23 – Ejection Policies – Ejected Player or Coach

- 1) If a player or coach is ejected by an official for an unsportsmanlike act, both the athletic director of the school of the ejected player/coach and the commissioner of officials shall notify the OSAA by facsimile of the ejection by the next workday. Ejected coaches must leave the contest immediately and shall not be allowed further contact with team members for the duration of that contest. It shall be the responsibility of the school to disallow the ejected player or coach from participating during the period of suspension specified in the Regulations, **regardless of whether written notification**

has been received by the school from the commissioner of officials. Should an ejected player participate or an ejected coach remain within "sight and sound" of the team during the period of suspension specified in the Regulations, and no appeal is pending, that action shall be considered use of an ineligible participant and shall result in forfeiture of that contest and other penalties as determined by the Board. *(Revised Fall 2005)*

- 2) **Appeal Process** – If the principal or the Athletic Director of the ejected coach/player and the commissioner of officials agree that the suspension should be set aside, the principal may appeal to the Executive Director within 48 hours of the ejection to set aside the next game suspension portion of the penalty. If the Executive Director denies an appeal, that denial may be appealed to the Executive Board, which shall hear the appeal at its earliest convenience and issue a final ruling. Implementation of the next game suspension may be postponed during the time that an appeal is pending. *(Fall 1998) (Revised Fall 2002)*

7. **Q.** *When a coach or player is ejected, what period of time does the ejection cover?*

A. *Baseball / Softball – Remainder of that day.* *(Revised Spring 2006)*

8. **Q.** *When does the period of suspension begin?*

A. *The suspension is served after the ejection has been served. The ejection and suspension may not be served simultaneously.*

9. **Q.** *Once a player or coach has served a period of ejection, when and over what period of time is a suspension served?*

A. *Baseball / Softball – Sit out through next contest at that level.*

NOTE: In unusual circumstances, the Executive Director may modify the period of suspension.

c. **BP 24 – Ejection Policies – Fines**

- 1) Schools shall be assessed fines for ejections within specific sports programs. Each sport (i.e., Football, Boys Basketball, Softball) shall be tracked as separate and distinct for the purpose of calculating fines. When the first participant or coach in a sport is ejected, the school that the participant or coach is representing shall be assessed a \$50 fine by the Executive Board. A second ejection in the same sport during the same season shall result in the assessment of a \$100 fine, and each ejection thereafter in that sport during that season shall result in a fine to be increased by \$50 increments for each ejection without limitation.
- 2) All funds accumulated by the Association as a result of ejection fines shall be used to conduct Citizenship through Sports training workshops throughout the state. Training shall be offered on the October in-service day and at other times as announced by the OSAA.
- 3) A school receiving five or more ejections during one school year shall be required to submit a written Plan of Correction to the Executive Board including a Citizenship through Sports training workshop and timelines for implementation of the Plan. *(Fall 2000) (Revised Fall 2002)*

d. **BP 25 – Ejection Policies – Multiple Ejections of Individual**

A second ejection for an unsportsmanlike act during the same sport season will result in a two-game suspension. A third ejection for an unsportsmanlike act during the same sport season will result in disqualification from further participation in that sport during that sport season. *(Fall 1999)*

e. **BP 26 – Ejection Policies – Physical Contact with Official**

Physical contact between a coach/player and an official shall be considered a gross act of unsportsmanlike conduct. The offending coach/player shall be immediately ejected from the contest, shall be suspended as provided in the Regulations and may be required to satisfy other requirements as prescribed by the Board. Both the athletic director of the school of the offending coach/player and the commissioner of officials shall notify the OSAA by facsimile of the incident by the next workday. In addition, the school shall be fined up to \$1,000 as set by the Board, and an administrator and the coach/player shall be required to appear before the Executive Board at the next scheduled meeting. *(Fall 1998)*
