HOME TEAM DESIGNATION
The following criteria is used to determine the home team:
1. The team that was designated the home team the least number of times in prior rounds, or
2. If two teams have been designated the home team an equal number of times, the designated home team shall be the higher league representative, or
3. If two teams have been designated the home team an equal number of times and have the same league representative position, follow the "x", predetermined by a coin toss.
NOTE: Once the matchup has been determined, the home team will be designated by the "@". The OSAA will determine the date, site and time for semifinal and championship games.
