

# University of Oregon Neighborhood Parking Overview

**PARKING:** All teams and spectators are advised that parking availability surrounding the University of Oregon is restrictive. Street parking is limited to 1 or 2-hour parking zones and meters. Unauthorized vehicles in University parking lots will be issued citations and towed. Both the City of Eugene and the University of Oregon will be strictly enforcing parking. See map below for specifics. For additional information, visit –

University of Oregon – <http://parking.uoregon.edu>

City of Eugene – <https://www.eugene-or.gov/1930/Campus-Area-Daily-Parking-Rates>

- **Columbia Garage** – the University of Oregon strongly urges all spectators to park in Columbia Garage located adjacent to Matt Knight Arena on East 13th Avenue.
  - Monday – Friday      \$2 per hour from 6am to 6pm.      After 6pm \$1 / hour.      Daily Maximum \$12.
  - Saturday – Sunday      \$1 per hour from 6am to 8pm.      Daily Maximum \$8.
  - There is no overnight parking in the garage.
  - Hourly rates vary, see <http://parking.uoregon.edu> for more info.

- **Meter Parking and Pay-To-Park Lots** – The university has meters located around campus at \$2 per hour. Meters accept VISA, MasterCard, quarters, and payment through [www.parkmobile.com](http://www.parkmobile.com).

In pay to park lots 17, 29A, East 15th Ave, and Lot 15, hourly parking is available at \$2.00 per hour. U.S. Bills, VISA, and MasterCard accepted. Exact change required. Visitor permits are also valid in Pay-to-Park lots (Lot 15 excluded).

- **Visitor Permit Parking**

Visitor permits are valid in most campus lots and are sold at the Department of Parking and Transportation for \$10 per day. Overnight visitor permits, valid in designated overnight lots, are also available for purchase for \$15 per 24-hour period.

Visitor permits are offered in two convenient options. One-time permits are more flexible because they do not have to be purchased for a specific day. The permit may be purchased in advanced and not used until needed. Multi-day permits may only be used for the date range specified at time of purchase, but are more convenient if you are parking for multiple days in a row.
