

We Are #1!

OSAA #1 Student Section FALL Video Contest

Who has the best student section in the state? Why is your school #1? The OSAA is launching its **2nd annual "We Are #1!" student section FALL video contest**. We want to highlight the best student section in the state and recognize your school for your student involvement, attendance, sportsmanship, and school spirit!

How it works-

- Film your student section during multiple games throughout the season and put together a video (2 min minimum, 3 min maximum) that displays your school spirit at the highest level, showing sportsmanship and displaying school pride
- The video must include students, staff, coaches and other school personnel explaining why YOUR student section is the **#1 section in the state** with the most school spirit
- Post your video to YouTube and send Marci McGillivray your link (marcim@osaa.org). After approval, your video will appear on the OSAA YouTube channel for the public to view and vote on

Voting-

- The top 5 videos will be determined by the OSAA staff. The overall winner will be determined by the number of "likes" each video receives on the OSAA YouTube Channel.
- The winner will receive recognition as being the **#1 Student Section in the State**, a banner indicating your award, a catered lunch at the school for those students who participated in the video, and additional points towards the 2014-15 OSAA Sportsmanship Award.

Deadline-

- Video links on YouTube must be sent to the OSAA no later than **November 15th, 2014**. Public voting will begin **November 17th** and will end **December 1st**. The winning school will be notified the week of December 1st.

Congrats to **Klamath Union High School** on winning the 2013-14 award. Check out the 2013-14 top 5 videos on the [OSAA YouTube Channel!](#)
