RE: NFHS Basketball Rule Change for 2012-13

Many of you have asked about the new NFHS basketball rule that requires the official scorekeeper to wear a black and white vertically striped garment. This is required at all levels of play and the examples below meet the requirements of this new rule. I have provided some places to purchase these and I hope you find this helpful. Please note that I am not promoting one retailer or another --- I am simply providing this as assistance to you. I encourage you to contact your local equipment/uniform provider as he/she should be able to provide you with a similar product. Please do not hesitate to contact me with questions.
