TO: Superintendents, Principals and Athletic Directors

FROM: Tom Welter, Executive Director

SUBJECT: 2014-15 ADM Figures

The OSAA has completed its computation of the 2014-15 ADM Figures. The information was compiled using data supplied by the Oregon Department of Education and OSAA member schools.

Schools that exceed the upper enrollment limit for its classification will be contacted individually by OSAA Staff and automatically reviewed by the Executive Board on Monday, December 7 at the OSAA office in Wilsonville.

Schools that fall below the lower enrollment limit for its classification must notify the OSAA Staff if they plan to petition the Executive Board for emergency placement in the next lower classification.

Please submit information for the Executive Board by Wednesday, November 25 so we may include it in the materials distributed to Board members prior to the meeting.

6.2. Changes in classification during a four-year time block.

6.2.1. The Executive Board may make what it considers a necessary change or changes in classification either up or down during a four-year time block. ***In addition, the Executive Board may, in its sole discretion, change the league assignment of a school or schools if such change is warranted because of a change of classification of another school.***

6.2.2. The process for changes in classification during a four-year time block shall be as follows:

- (a) After a school has been placed in a classification for a four-year time block and the school exceeds the upper enrollment limit for its classification, the school shall be subject to review by the Executive Board for possible placement in the next higher classification for the remainder of the time block.
- (b) After a school has been placed in a classification for a four-year time block and **the** school falls below the lower enrollment limit for its classification, the school may petition the Executive Board for emergency placement in the next lower classification for the remainder of the time block.
- (c) After a school has been placed in a classification for a four-year time block based upon a request to the Classification and Districting Committee to “play up” to a higher classification than required by the ADM for that school, that classification placement may not be reviewed by the Executive Board during the four-year time block unless there is a significant drop in enrollment due to factors beyond the control of the school as determined by the Executive Board.

6.2.3. The Executive Board shall consider classification changes during the four-year time block only at the annual December Executive Board meeting.

Please contact any Executive Staff member with questions.
