

# Become a Basketball Official

- Earn extra money
- Great exercise
- New friends
- Looks great on a job resume
- Make your own work hours
- Have fun

The Salem Basketball Officials Association is looking for high school graduates to become officials. We need both men and women. We will train and support you through our mentor program. Whether you will be going to college or staying home, we can put you to work. Find a friend to come with you. Meetings start in late October. The only thing you need is a knowledge of the game of basketball.
