RULING ON ELIGIBILITY REQUESTS

- Key Factors to Consider:
 - Are there circumstances beyond the control of each of the student and the student's parent(s), or other circumstances whereby enforcement of the rule would work an undue hardship upon the student?
 - What is the student's transfer history?
 - Did the transfer occur under Open Enrollment? If so, what, if any, extenuating circumstances are present?

RULING ON ELIGIBILITY REQUESTS

- Key Factors to Consider:
 - If transferring for academic reasons, why is the transfer happening after initial enrollment in the 9th grade?
 - What factors contributed to the ineligibility that were outside the control of each of the student and the student's parent(s)?
 - Is the transfer athletically motivated?
