OSAA SPORTSMANSHIP STATEMENT

Interscholastic activities are an integral part of the educational curriculum and experience. High school activities promote the character development of participants, enhance the educational mission and promote civility in society. Therefore, student-athletes, coaches, spectators and all others associated with high school activities programs and events should adhere to the fundamental values of respect, fairness, honesty, and responsibility. These values should be established as a priority among all OSAA member high schools.

Good sportsmanship begins with you.

Always do right. This will gratify some people and astonish the rest.
