# OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

---

Welcome to the OSAA / OnPoint Community Credit Union State Championships!

In 1918, administrators at 36 high schools came together in recognition of the need for consistent and equitable rules for high school activities in Oregon. As the OSAA celebrates its 100-year centennial, we remain steadfast in our efforts to support our member schools and their students.

At the OSAA we believe high school activities provide opportunities for students to receive a complete education that challenges both mind and body. These opportunities enrich and expand our students' school experience and prepare them to be successful in the future.

Participation in activities teaches students how to be part of something bigger than themselves; the meaning of respect for themselves and others; and skills like resilience, patience and the ability to be part of a team. Students also encounter adversity and hone skills that enable them to continue their personal journey to becoming a contributing member of society.

Congratulations to students, coaches, and school communities who earned the right to compete in this state championship! And a special thanks to OnPoint Community Credit Union for sharing our belief in the importance and value of high school activities through their financial commitment.

Thank you for your continued support of Oregon high school activities.

**Peter Weber**  
Executive Director

We value enriching education and equipping students with the tools they need to reach their full potential. We are proud to partner with the OSAA to encourage an environment where students can learn and grow in community, teamwork and leadership.

Congratulations to all of the students, schools, coaches and families participating in today's state championship. You have worked hard to be here, and we are honored to be a part of the celebration.

## About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

## It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

## Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

## What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

## Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

## OSAA Activities

The OSAA sponsors 116 state championships for students competing in 19 interscholastic activities:

### Fall

Cross Country, Volleyball, Soccer, Football

### Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

### Spring

Speech, Solo Music, Choir, Band/Orchestra  
Golf, Tennis, Track & Field, Softball, Baseball

# OREGON CHEERLEADING COACHES ASSOCIATION EXECUTIVE BOARD

Welcome to the 2019 OSAA State Cheerleading Championships! We hope you will thoroughly appreciate the excellent skills exhibited by these outstanding athletes as they vie for their division’s title of State Cheerleading Champion!

Today is the culmination of tremendous hard work and dedication on the part of the teams and their coaches. It is our hope that they will take with them a sense of accomplishment, pride and satisfaction in knowing they have performed to the best of their abilities. We applaud them for the incredible amount of effort and teamwork it took for all of them to be here today. Your encouragement will energize them to be the very best they can be, so please cheer with them and for them today as they perform their routines for you.

These talented athletes inspire OCCA to continue to increase the talent and academic scholarships we award yearly, and to continue to offer training opportunities for athletes and coaches with our Conference and Clinics. It is our goal to raise the standard of Oregon cheerleading, as well as increase coaches education, safety, good sportsmanship and school spirit throughout the state, thereby allowing our teams to compete with the best nationwide!

We are pleased that you have chosen to join us for this exciting competition today. Your continued positive support of the cheerleaders of Oregon is greatly appreciated!
