OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

Welcome to the OSAA / OnPoint Community Credit Union State Championships!

In 1918, administrators at 36 high schools came together in recognition of the need for consistent and equitable rules for high school activities in Oregon. As the OSAA celebrates its 100-year centennial, we remain steadfast in our efforts to support our member schools and their students.

At the OSAA we believe high school activities provide opportunities for students to receive a complete education that challenges both mind and body. These opportunities enrich and expand our students' school experience and prepare them to be successful in the future.

Participation in activities teaches students how to be part of something bigger than themselves; the meaning of respect for themselves and others; and skills like resilience, patience and the ability to be part of a team. Students also encounter adversity and hone skills that enable them to continue their personal journey to becoming a contributing member of society.

Congratulations to students, coaches, and school communities who earned the right to compete in this state championship! And a special thanks to OnPoint Community Credit Union for sharing our belief in the importance and value of high school activities through their financial commitment.

Thank you for your continued support of Oregon high school activities.

Peter Weber
Executive Director
Oregon School Activities Association

On behalf of OnPoint Community Credit Union and our valued members, welcome to the OSAA/OnPoint Community Credit Union State Championships!

At OnPoint, it's the people and communities we serve that matter most. From our members and employees, to our neighbors and community partners, we are committed to helping people prosper. A trusted financial partner with deep roots in education, OnPoint's community connection is strengthened by the passion and commitment of our nearly 700 employees and 360,000 members.

Since our founding in 1932, OnPoint has made it a priority to deepen our presence in the community by supporting students, schools and educators. We value enriching education and equipping students with the tools they need to reach their full potential. We are proud to partner with the OSAA to encourage an environment where students can learn and grow in community, teamwork and leadership.

Congratulations to all of the students, schools, coaches and families participating in today's state championship. You have worked hard to be here, and we are honored to be a part of the celebration.

About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 116 state championships for students competing in 19 interscholastic activities:

Fall

Cross Country, Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra
Golf, Tennis, Track & Field, Softball, Baseball

2019 Button

Riding and controlling your opponent is an important phase of wrestling. It prevents the bottom wrestler from escaping or reversing his position and opens situations for the controlling wrestler to score match points or gain a fall.

Fred Fozzard of Oklahoma State is shown riding his opponent from Oklahoma in a match he won. Fozzard, a two-time State Champion from John Marshall High School in Portland is considered one the greatest wrestlers in Oregon history. He won a championship and paced three times in the NCAA tournament while wrestling at OSU.

STATE CHAMPIONSHIPS SCORING PROCEDURES

Tournament scoring has three components: advancement points, bonus points and placement points. One or more of these may make up the points earned by each wrestler in any given round of the tournament.

Advancement Points:

- Are awarded for each match won in either the championship or consolation bracket where the wrestler advances to a subsequent match in the tournament.
- A wrestler who receives a bye in a round where at least one match is wrestled receives additional advancement points by winning the next match.
 - For example, in the 3A classification there are four wrestlers in each weight class who may earn additional advancement points after receiving a bye in Championship Round 1.
 - However, in the 3A classification, no wrestlers receive advancement points in the consolation bracket after receiving byes in Consolation Round 1, as there are **NO** matches wrestled in Consolation Round 1.
- Wins in the championship bracket where the wrestler advances to a subsequent round earn two advancement points.
- Wins in the consolation bracket where the wrestler advances to a subsequent round earn one advancement point.

Bonus Points:

- Are awarded for a major decision, technical fall, fall, injury default, disqualification or forfeit.
- Major decision: 1 bonus point
- Technical Fall: 1.5 bonus points
