

## Proposal for 4A League Alignment

<b>Cowapa (6)</b>  Astoria Banks Scappoose Tillamook Seaside Yamhill Carlton	<b>PAC-6 (6/7)</b> (Portland Area Conference)  Madison Marshall Roosevelt LaSalle Gladstone Estacada Jefferson (likely opt up)	<b>Capital(7)</b>  Cascade Stayton Central Philomath Newport Taft North Marion*	<b>Sky Em (6)</b>  Cottage Grove Elmira Junction City Sisters La Pine Sweet Home
<b>GOL (6)</b>  Baker Crook County LaGrande Madras McLoughlin Ontario	<b>Skyline (6/7)</b>  Henley Hidden Valley Klamath Union Mazama North Valley Phoenix Illinois Valley (possible 3A)	<b>Far West (6)</b>  Brookings-Harbor Douglas North Bend Siuslaw South Umpqua Sutherlin	

### Rationale

- This proposal cuts travel significantly for most of 4A schools, compared to current proposal. (around 30 teams would travel less. 15 teams would be about the same)
- Larger leagues don't benefit the kids
- Larger leagues make scheduling easier, benefiting AD's.

### Playoffs

- 3 teams from all 7 team leagues (1 to 3 leagues)
- Rotate 3 spots among 6 team leagues to equal 20 playoff teams (4-6 leagues)

### Suggestions

- If Jefferson opts up, consider putting North Marion\* in that league to reduce travel to Newport and Taft.
