

Started by leaving 1A alone. Took remaining 5 classifications, 205 schools, divided by 4, equalling about 51 teams per classification.  
 Made some slight changes up and down depending on the size of schools and geographic locations: 5A-47, 4A-53, 3A-53, 2A-49, 1A-88  
 Helps resolve issues of travel, lost class time, revenue, scheduling and league size while maintaining competitive balance
