**Schools are reminded that the OSAA requires schools to use officially adopted championship balls during all state championship contests, first round through final games.**

## NFHS Authenticating Ball Mark Program

All varsity game balls must include the NFHS Authenticating Mark such as the ones listed below:

In the event a properly marked ball is not available for use by either team in the varsity contest: the contest is to be played as scheduled. The game officials will notify the local commissioner, who, in turn, will notify the OSAA office of the school's violation.
