TO: Superintendents, Principals, Athletic Directors
 FROM: Kyle Stanfield, Public Relations Assistant
 SUBJECT: 2009-10 Fall Administrator Workshops / Cheerleading Safety Clinics

In an effort to reach out to more of our member schools, the OSAA will be presenting workshops listed below to familiarize representatives from member schools with the services, policies, procedures, rules and interpretations of the Association in August and September of 2009. These workshops are particularly helpful for athletic directors and cheerleader coaches to review new rules, policies and interpretations of the OSAA, and to have questions or concerns clarified by the OSAA staff. Hopefully these workshops will help to reduce the likelihood of violations during the coming year.

Administrator Workshop Attendance Requirement (*OSAA Handbook, Executive Board Policies*): "Each member school shall ensure that at least one representative participate in one of the annual Administrator Workshops presented by OSAA staff. Roll shall be taken at the Workshops to confirm compliance with this policy.

Should it be determined that a member school failed to have a representative at any of the Administrator Workshops, that school shall be placed on probation during the Association year of non-attendance. The Board shall consider the probationary status of the school when assigning penalties for any violations of OSAA Regulations by the school that might occur during the period of probation. (*Fall 2006*)"

Cheerleading Safety Clinics (*OSAA Handbook, Executive Board Policies*): "The high school principal shall be held accountable for verifying that any cheerleading coach who is solely responsible for coaching the team at any time has attended an OSAA Cheerleading Safety Clinic by November 1 of the Association year in which that person serves as a coach. Should a cheerleading coach fail to attend an OSAA Cheerleading Safety Clinic by November 1, the squad of the non-attending coach shall be prohibited from performing partner stunts or tumbling until the coach has attended a clinic. EXCEPTION: Any emergency exception must be authorized in writing by the OSAA. (*Revised Fall 2007*)"
