For the test administration on October 10, the Sunday test date has been moved to October 18 to avoid conflict with the Jewish holiday of Simchat Torah.
- The Language Tests with Listening are offered only in November.
- Deadlines for international test-takers are given below the tables for U.S. students.
- The [Question-and-Answer Service \(QAS\)](#) is offered only on the Saturday test dates in October and January, and for Saturday, Sunday, and school-based testing dates in May.
- The [Student Answer Service \(SAS\)](#) is available only on the test dates for which QAS is not offered—those in November, December, March, and June. It is also available for Sunday and school-based testing dates in October and January.

Making Changes Changing your Test Center, Test Date, or Test Type

[Print Full Article](#)

You can make [corrections](#) to your personal information, such as your address and high school code. No fee applies to such corrections.

There is a fee if you are registered for a test and want to change the test center, test date, or which test you registered to take. To make changes, call us no later than the Wednesday that is two and a half weeks before the test date to speak with a customer service representative.

- [Contact us](#) Try to avoid the busiest day (Monday), the busiest hours (3 p.m. to 6 p.m.), and registration deadline dates.
- A credit card (Visa, MasterCard, American Express, or Discover Card) is required to pay the [additional fee](#). When you call, be ready to tell the Customer Service representative your registration number and test date, and the credit card number and expiration date.

If you miss the deadline for making a change, you can still try to make the change on the day of the test. Go early to the test center of your choice and explain the situation to the test supervisor. If space and materials are available, you will be admitted before standbys. You will be billed for the change fee.

Notes About Changes

Test Center Change

If your first- or second-choice test center is not listed on your Admission Ticket, the center you requested when you registered was probably full. Therefore, you were assigned to the next closest available test center.

Test Date Change/Absence on Test Day

If you were absent from a test for which you registered and want to test on another date, call Customer Service to transfer to a later date.

Test Change

You can change your test from the SAT to SAT Subject Tests[™] or from SAT Subject Tests to the SAT if you pay the change fee.

There is no charge for changing from one SAT Subject Test to a different SAT Subject Test. If you want to substitute one SAT Subject Test for another, you should do that at the test center. You may substitute any SAT Subject Tests offered **except** the Language Tests with Listening. You cannot change to a listening test on test day because test centers must retain any extra CDs in case they are needed to replace defective CDs for registered test-takers. If you want to change to a listening test or from one listening test to another, you must do so by the late registration deadline or three weeks before the test date, if testing internationally.
