1. 2009 NFHS RULES REVISIONS:

- 3-1-3** Each team shall submit a team roster, containing the names of all players, all bench personnel and all coaches, to the officials at least five minutes prior to the start of the contest. The game shall not begin until this is complete. Players, bench personnel and coaches may be added to the roster after the start of play.
- 4-1-1** Shinguards must meet the National Operating Committee on Standards for Athletic Equipment (NOCSAE) specifications. The NOCSAE seal and the appropriate height range of the player shall appear on the shinguard. Beginning with the 2012 fall season, the NOCSAE seal and height range shall be permanently marked on the front of the shinguard.
- 4-2-1g** Illegal equipment shall not be worn by any player. This applies to any equipment which, in the opinion of the referee, is dangerous or confusing. Types of equipment that are illegal include, but are not limited to, the following:
(g) ankle braces made of metal or unyielding materials, unless covered by a stocking or other suitable material. Ankle braces not made of metal or unyielding material may be worn outside a stocking.
- 5-1-3a** The officials shall be dressed alike in the uniforms primarily consisting of:
(a) a shirt approved by the state association; in the event of a color conflict between the officials and the field players of either team, the officials shall change to a jersey of a color distinct from the field players of both teams.

2. POINTS OF EMPHASIS:

- **Unconscious Player:** If the player is determined to be unconscious or apparently unconscious by game officials, the player cannot return to the game until written authorization by a physician is presented.
- **Ankle Braces:** Technological advances in "joint" braces have made them safer over the past decade. A player may wear an ankle brace over the sock providing there is no exposed metal or unyielding material.
- **Shinguard Placement.** Shinguards need to be placed no higher than 2 inches above the ankle for safety purposes.

- **NFHS Code of Ethics:** Coaches and officials should read the NFHS Code of Ethics and incorporate them into their game preparations. (See pages: 104-105 of 2009-10 NFHS Soccer Rules Book)
- **NFHS Soccer Signals.** Officials in the course of enforcing the rules of play need to properly and consistently use the NFHS Official Soccer Signals. (See page: 100-102 of 2009-10 NFHS Soccer Rules Book)
- **Ball Holders.** At least two ball holders should be provided by the home team to prevent delays. Ball holders are under the direct supervision of the official(s).
- **Team Areas.** The team areas shall be at least 10 feet from the touchline and extend 10 yards on each side of the halfway line, for a distance of 20 yards. When placed on opposite sides, each team area shall be placed diagonally across from each other.

OSAA SOCCER POLICIES

1. OSAA ADOPTED RULES AND INTERPRETATIONS: The NFHS 2009-2010 Soccer Rules Book will be used in Oregon with the following clarifications:

- 1-1 If a field is, or appears to be, larger or smaller than the dimensions specified, the head referee will bring that to the attention of the home school's head coach and will include that information in the referee's game report. The contest will still be played.
- 4-2-1-f Exception 3. Players may wear soft and yielding caps during inclement weather. Caps must be alike in color.
- 5-1-1 Only the dual or diagonal systems of officiating may be used. Athletic districts may select one of these systems for regular season "league" contests. In the absence of an adoption by a district, the commissioner of officials will select the system to be used for a particular game.
- 5-1-2 The jurisdiction of the officials begins when they enter the field and its immediate surrounds (e.g. they enter a stadium where the game is to be held). The officials' jurisdiction ends when they leave the field and its immediate surrounds at the end of the game.
- 5-2-2-d Although the NFHS rule calls for a single meeting between officials, captains and head coaches, such a meeting is not required in Oregon. Referees must obtain a complete roster and inquire of each head coach whether their players are properly and legally equipped before the game. They may do this independent of meeting with the captains to discuss sportsmanship and conduct the coin toss as provided in 5-2-2(e)(2).
- 6-3-1 The head referee shall be the official scorekeeper.
- 7-1-1 Game duration shall be two equal halves of 40 minutes each.
- 7-1-3 In the event a game must be suspended in the first half by the head referee because of conditions which make it impossible to continue play, the game shall be declared "no contest" and shall be completely replayed unless the two teams mutually agree otherwise or there are athletic district rules that apply.
- 7-1-5 A soccer district may adopt a five-goal rule; if a team is ahead by five goals at half-time or at anytime during the second half-the game is terminated.
NOTE: This rule has NOT been adopted for OSAA playoff and championship matches.
- 7-3-1 A soccer district may adopt procedures to resolve a tie at the end of regulation time in district varsity games. This adoption may be made for boys' games, girls' games or both. If a tie breaking procedure is adopted, it must be used in all district contests, and the commissioner(s) of officials shall be notified in advance of the season that the tie-breaking procedure will be used.
NOTE: The OSAA State Championship tie breaking procedure shall be used in all district playoffs, OSAA playoffs and championship matches.
- 12-8-5 A disqualified player or coach ("hard" red card) shall be required to sit out through the next contest at that level, per OSAA policy on ejections.

2. PARTICIPATION LIMITATIONS: (OSAA Handbook, Participation Limitations)

- a. **Team.** A school team shall not compete in more than 14 matches at each level of competition, exclusive of the varsity district playoffs and state championships.
- b. **Individual.** A student shall not participate in more than 14 games, exclusive of the varsity district playoffs and state championships. A player shall not participate in more than two halves of play per day. For the purposes of this rule, participation during the same day in two halves at different levels (varsity, JV, etc.) shall be considered participation in one game. If a student appears in more than two halves of play per day, the game in which the student exceeds the limit is forfeited. A student may participate in only one jamboree.
- c. **Jamboree.** A school may participate in only one jamboree at each level of competition. A jamboree shall include at least three teams, and shall not be counted as a contest. Jamborees may be held only on the first playing date and for 30 days thereafter. A jamboree shall be limited to not more than a total of 120 minutes per team (three or more teams) and to not more than one contest against any school.
- d. **Disqualified Player.** A disqualified player (“hard” red card) shall not be permitted to participate through the next contest at that level. This includes tournaments, jamborees, dual contests and state championships. If disqualified during a tournament or a jamboree, the disqualification is for the remainder of that tournament or jamboree and the next contest at that level.

3. FALL SPORTS PRACTICE MODEL: *(OSAA Handbook, Executive Board Policies)* At the recommendation of the OSAA Medical Aspects of Sports Committee, the OSAA Executive Board adopted a Fall Sports Practice Model. Each year all Fall student-athletes are required to adhere to the practice regimen contained in the [Fall Sports Practice Model](#).

A key component of the Fall Sports Practice Model involves calculating the current heat index for your area. To calculate the heat index use the [OSAA Heat Index Calculator](#).

4. INTERRUPTED CONTESTS: *(OSAA Handbook, Executive Board Policies)* Contest is declared official if at least one complete half of game has been played. If less than one-half of game has been played, it is declared “no contest” and is completely replayed unless two teams mutually agree otherwise or there are athletic district rules that apply.

5. CONTESTS – SPORTSMANSHIP – CROWD CONTROL: *(OSAA Handbook, Rule 3)* Sportsmanship Responsibility: The high school principal, coach and other responsible officials of each member school shall take all reasonable measures to insure that the school's students and supporters maintain a sportsmanlike attitude toward all events so that events may be conducted without unreasonable danger or disorder. When a petition is filed alleging violation of this Rule, the Executive Director may, at his/her discretion and with concurrence of any two Executive Board members, postpone any pending event which the Executive Director has reason to believe cannot be conducted without an unreasonable danger of disorder. All such protests shall be referred to the Executive Board, which shall proceed as provided in Rule 4. In addition to any other action the Executive Board may take regarding a protest alleging a violation of this Rule 3-3, the Executive Board shall have the power to cancel or re-schedule the event involved, or to impose conditions on conducting it.

6. SPECTATOR CONDUCT AT OSAA EVENTS: *(OSAA Handbook, Board Policies)*

In addition to the general expectations included in the OSAA Constitution, Rule 3, that school officials “...shall take all reasonable measures to ensure that the school's students and supporters maintain a sportsmanlike attitude toward all events...” the following specific expectations regarding spectator conduct at all OSAA sanctioned events, including regular and post season competition, are provided: *(Revised Fall 2008)*

Spectators are not permitted to have signs or banners (larger than 8 ½ by 11 inches), confetti, balloons or glass containers. Spectators are required to wear shirts.

Spectators are not permitted to have artificial noisemakers. Some examples of artificial noisemakers are Thunder Stix, cowbells, clappers and air horns.

Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language. Spectators shall not be permitted to engage in any racially / culturally insensitive action. *(Revised Fall 2008)*

All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Some examples of inappropriate conduct or actions that are not permitted are: turning backs, holding up newspapers or jeering at cheerleaders during opposing team introductions; disrespecting players by name, number or position; negative cheers or chants; throwing objects on the floor. *(Revised Fall 2008)*

Spectators who fail to comply with Association or site management spectator conduct expectations may be expelled from the contest. *(Revised Fall 2008)*

7. OSAA SOCCER OVERTIME PROCEDURES:

If a contest is tied at the end of regulation time, the following procedure shall be used to determine the winner:

The referee shall instruct both teams to return to their respective team boxes. There will be five minutes during which both teams may confer with their coaches, and the head referee shall instruct both teams as to the proper procedure.

- a. There shall be two full 10-minute overtime periods – not sudden victory:
 - 1) A coin toss shall be held as in Rule 5-2-2(e)(2).
 - 2) There shall be a two-minute break in-between overtime periods.
- b. If the score still remains tied, all coaches, officials and team captains shall assemble at midfield to review the procedure as outlined below:
 - 1) The head referee shall choose the goal at which all of the penalty kicks shall be taken.
 - 2) Each coach shall select any five players, including the goalkeeper; on or off the field (except those who may have been disqualified) to take the penalty kicks.
 - 3) A coin toss shall be conducted. The team winning the toss shall have the choice of kicking first or second.
 - 4) Teams will alternate kickers. There is no follow-up kick.
 - 5) The defending team may change the goalkeeper prior to each penalty kick.
 - 6) Following five kicks for each team, the team scoring the greatest number of goals on these kicks shall be declared the winner.
 - 7) Add one goal to the winning team score and credit the team with a victory. An asterisk (*) may be placed by the team advancing to indicate the advancement was the result of a tiebreaker system.
- c. If the score remains tied after each team has had five penalty kicks:
 - 1) Each coach shall select five players other than the first five who already have kicked to take the penalty kicks in a sudden victory situation, wherein if one team scores and the other team does not score, the game is ended without more kicks being taken.
 - 2) If the score remains tied, continue the sudden victory penalty kicks with the coach selecting any five players to take the next set of alternating penalty kicks. If a tie remains, repeat 3a and 3b until there is a winner.
- d. NFHS tournament progression rules shall apply in the event a player is cautioned during the penalty tie-breaker.
- e. During the taking of penalty kicks, all eligible players from both teams (not including any player disqualified from the game) and their coaches, other than the goalkeeper from each team who is defending the opponents' kicks, shall be in the center circle of the field.
- f. If a team has fewer than 10 players available to participate in the tie-breaker, all available players for that team shall take kicks, as required, until all players have done so. If it is necessary for players to take a second kick (or more,) they may do so in any order. The FIFA "reduce to equate" principle does not apply in NFHS tie-breakers.

8. MISCONDUCT CARDS:

- If yellow card issued is a caution: Coach may substitute for a player cautioned; player may re-enter game at the next substitution opportunity.
- If a second yellow or yellow/red card issued: Coach may substitute, but player sits out for the rest of game; player may participate in the next contest.
- If red card issued: Coach may not substitute; player may not participate for the remainder of that day. In addition, the disqualified player shall be required to sit out through the next contest at that level. This includes tournaments, jamborees, dual contests and State Championships.
