RE: Additional Swim Suit Reminders, Speedo Logo

This information sent to you on November 19, 2004:

ILLEGAL SWIM SUIT INFORMATION

Only one logo / trade name, of no more than 2.25 square inches, is permitted on a swimmer's suit. Some manufacturers of swim suits are incorporating a trade-mark word or phrase on swim suits in addition to the manufacturer's logo. These types of swim suits are illegal for high school competitions. As an example, a swim suit that incorporates both the Speedo logo as well as the word "Endurance" which is a trademark used on this style of suit would be an illegal swim suit. Please refer to NFHS Rule 3-3-1 for further information or contact me if you have questions.
