Scholarship Prize Description: The Scholarship Prize will be paid directly to each Winner's designated college, university, a trade or vocational school upon verification of such Winner's enrollment in the Fall 2024 semester as a full-time student carrying a minimum of 12 credits. In the event any Winner does not fulfill the requirements stated in this section, the Scholarship will be forfeited and Sponsor shall have no further obligation to the Winner. In the event a Winner has already won one or more college scholarship(s) for his/her freshman year, he/she is only eligible to accept the Scholarship Prize if the total combined value of all scholarships awarded and accepted does not exceed the greater of the financial aid limit imposed by the Winner's designated college, university, a trade or vocational school for educational expenses or the actual cost of the educational expenses (i.e., tuition, room, board, books, and related fees). If the total value of the combined scholarships accepted by a Winner exceeds the specified financial aid limit or actual cost of the educational expenses, the Winner must forfeit either the Scholarship Prize or his/her other scholarship(s) to meet this limitation. The Scholarship Prize will not be awarded in any partial amount (i.e., less than \$5,000). For student athletes enrolling in NCAA member institutions, NCAA Bylaws governing financial aid from outside sources and other NCAA rules apply. Winners are solely responsible for compliance with NCAA rules and restrictions.

If, for any reason, the Scholarship is forfeited by a Winner, Sponsor reserves the right, at their discretion, to select the runner-up for the scholarship as the recipient. Additional terms, conditions and restrictions may apply to the receipt and use of the Scholarship Prize and will be specified by Sponsor at time of prize notification. All federal, state and local taxes as well as any other costs and expenses associated with the acceptance and use of the prize are a Winner's sole responsibility. Prize is not transferable, no substitutions allowed, except by Sponsor who reserves the right to substitute a prize of comparable or greater value, at their sole discretion. All prize details are at Sponsor discretion.

General: By submitting an application and/or supplemental materials (as applicable) (collectively, the "Application Materials"), Applicant agrees that the Application Materials shall become property of the Sponsor (including all rights embodied therein, including but not limited to the copyright) and that the Sponsor and their designees may exploit, reproduce, publish, broadcast, use, edit, adapt and/or modify such application Materials and all elements of such application Materials in any way, in any and all media, now or hereafter known, throughout the world in perpetuity, without limitation and without additional compensation, notification or permission of Applicant or any third party. Each winner agrees to sign any additional license or release that Sponsor may require. Submission of application constitutes Applicant's (or, if a minor, his/her parent's or legal guardian's) consent for Sponsor and their designees to use Applicant's name, hometown and/or likeness for advertising and promotional purposes in any and all media now or hereafter known throughout the world in perpetuity, without further compensation, notification or permission, unless prohibited by law. Released Parties not responsible for incomplete, lost, late, stolen, garbled, undelivered, delayed, inaccurate, misdirected or postage-due applications, Application Materials, email or mail; or for incomplete transmission defaults, computer server failure and/or delayed, garbled or corrupted data transmitted by participants or for any other errors, problems or malfunctions of any kind relating to or in connection with the contest, whether
