In the event of a tie for first place at the end of the second round, the team with the lower 5th score from Tuesday's round will be declared the champion. Ties for places other than first will not be broken.
 - C. **Individual Competition:** All players in the State Championships may compete for individual honors. Ties for individual honors will not be broken.

6. **RANGE BALLS:** Range balls will be provided free of charge on Monday and Tuesday prior to the start of a player's round. 7. **HOLE LOCATION SHEETS / NOTICE TO PLAYERS:** Each player will receive a copy of that day's hole locations along with the Notice to Players for the State Championship on their first tee on both Monday and Tuesday. (see attached Notice to Players for more information).
8. **SUMMER RULES:** Summer rules will be used at the State Championships. In the event of inclement weather/course conditions, the OSAA, in conjunction with the Rules Committee and the course professional, may authorize the Cleaning Ball Local Rule.
9. **YARDAGE / TEE MARKERS:** Emerald Valley has 150-yard markers on each hole designated by posts. Yardage is also marked on sprinkler heads. All yardage is to the center of the green. Players will use a combination of tees during both rounds of the championship defined by the GREEN tee markers. (See attached sample scorecard for this year's course yardage.) All other tee markers will be removed to avoid confusion.
10. **SPECTATORS:** Spectators must stay on cart paths or in the rough and at least 30 yards from any competitor during play. At no time should a spectator be on the green, on the tee, in a fairway, in a bunker, in a hazard, nor should they stand behind a player during his/her swing. Spectators may not communicate with participants from the time a player begins his/her round until his/her scorecard is handed in. Competitors may be penalized and / or disqualified if any person, other than the designated coach, assists the competitor by coaching and / or giving advice, which could influence a player in determining play, the choice of a club or method of making a stroke. Spectators may provide a participant with food, towels, umbrellas, rain suits, etc., during a round.
14. **SCORING PROCEDURE:** *Competitors must have the OSAA scoring app (iWanamaker) downloaded on their phone prior to teeing off. Each player should keep their own backup scorecard. Each competitor (marker) will be responsible for keeping score for another competitor in the group on the app. After each hole, the marker should check the score with the competitor and attest it.*

At the conclusion of the round, the entire group shall proceed immediately to the scoring area. The marker should confirm the digital scorecard. Competitors are to review their digital scorecard thoroughly for the accuracy of the hole-by-hole score and settle any disputes with the Rules Committee. The competitor is responsible for the correctness of the digital score recorded for each hole on his digital scorecard. If they return a score for any hole lower than actually taken, they are disqualified. If they return a higher score for any hole than the score actually taken, the score as returned stands. The competitor should make sure the marker has attested / confirmed the digital scorecard at the score table. No alteration may be made on a digital scorecard after the competitor has attested / confirmed it and left the scoring area. The digital scorecard is considered to have been official when the competitor leaves the scoring area.

11. **CELL PHONES / MOBILE DEVICES:** The OSAA believes that appropriate and considerate use of these devices is necessary during competition.
 - A. **Players:** Players shall not take cell phones / mobile devices on the courses for use of communication. If a player uses such a device at any point during their round, they may be subject to disqualification.
 - B. **Coaches and Spectators:** Cell phones must be set to vibrate or silent mode and shall not ring at any time while on the golf course. Cell phone conversations are prohibited at all times while on the golf course. If you need to take/make a call, please proceed to the clubhouse or parking lot.
12. **PACE OF PLAY:** The OSAA and the host courses are again emphasizing pace of play during this year's state championships. Groups are expected to adhere to the pace of play guidelines printed on their scorecard. A group's position should be immediately behind the group in front, not immediately in front of the group behind. Groups may be affected if they are behind the scheduled pace and out of position. Out of position is defined as:
 - A. **On par 3** – Having a clear hole ahead.
 - B. **On par 4** – The group ahead replaces the flagstick before your group leaves the tee area.
 - C. **On par 5** – The group ahead arrives on the green before your group leaves the tee area.

13. **CARTS:**

- A. **Motorized Carts – Participants:** During the round, a player must not ride on any form of motorized transportation except as authorized or later approved by the Committee (a player may always ride to and from where a previous stroke was made). Penalty for breach of Local Rule is the general penalty for each hole where the breach occurred. If the breach occurred between the play of two holes, it applies to the next hole.
- B. **Motorized Carts – Spectators:** Spectators, at the discretion of the golf course, may use motorized golf carts at the OSAA State Championships. Rules and regulations of the use of golf carts are governed by the host golf course.
- C. **Pull Carts – Participants:** Participants can use a pull cart in competition. Please note that there are a limited number of carts available and there may be a per round rental fee. Emerald Valley rents pull carts for \$6 per round.

14. **RULES COMMITTEE:** The OSAA will have a Rules Committee at the State Championship. Rules Committee members will be on the course in clearly marked golf carts to answer questions and make rules interpretations as necessary. Committee members will have walkie-talkies in order to collaborate on rulings.
15. **UNSPORTSMANLIKE BEHAVIOR:** A Rules Committee member may disqualify a player without warning for unsportsmanlike conduct such as throwing a club, disrespectfully addressing or striking an opponent or official, using profanity or obscene gestures, intentionally obstructing an opponent's line of play, etc.
 - A. Any disqualification for unsportsmanlike conduct disqualifies the player for the entire championship. Substitution of a player disqualified for unsportsmanlike conduct is not permitted.
 - B. Disqualification for a violation of USGA rules applies to that day's competition only.
16. **RESTROOMS / WATER ON THE COURSE:** Emerald Valley has on-course restrooms and there are water coolers every couple of holes near the tee box.

 - A. **Trophies** – Champion through fourth place trophies will be awarded in each championship.

Individual pieces of bark are loose impediments.
 - A. **Dropping Zones. Holes #9 and #18:** Behind the putting greens, if interference from the cart path exists between the area defined by lines and arrows, as an additional option to Rule 16.1, a ball may be dropped within the closest dropping zone determined by the arrows behind the green for the hole being played. **GOLF STATE CHAMPIONSHIPS****2024 OSAA Local Rules and Terms of the Competition****For Use in the State Championship and District and Regional Qualifying**

The Rules of Golf as approved by the United States Golf Association and the R&A govern play and where applicable, by the following Local Rules and Terms of the Competition. Complete text of Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2024. Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty. See Notice to Players for additional Local Rules and Terms of the Competition. If a player in a team competition breaches a Rule that results in disqualification, the effect will be to disqualify the player for that round only. Exception: serious misconduct, in which it is up to the Committee.

Please note that while in some earlier competitions this year the Local Rule for Alternative to Stroke and Distance for Ball Lost or Out of Bounds may have been used, the Local Rule is not in effect for any competition covered by this document.

1. **OUT OF BOUNDS:** Defined by the line between the course-side points, at ground level, of the white stakes or fence posts. Out of bounds may also be defined by white lines.
2. **PENALTY AREAS:** When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out of bounds edge, the penalty area extends to and coincides with out of bounds.
3. **GROUND UNDER REPAIR:**
 - A. Defined by white lines. Ground under repair also includes French drains, which are trenches filled with rocks or stones and newly trenched areas, including grass-covered cables. See Temporary Power Lines and Cables.
 - B. Ground under repair may include areas of unusual damage, including areas where spectators or other traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an obstruction, such an area is part of the obstruction.
4. **IMMOVABLE OBSTRUCTIONS:** Include plastic bumpers on roads and paths, and mats secured to the ground with spikes when the bumpers or mats cover cables.
5. **IMMOVABLE OBSTRUCTIONS CLOSE TO PUTTING GREENS:** Model Local Rule F-5.1 as prescribed in Section 8 of the Committee Procedures is in effect.

(b) Ball on Putting Green. The player may take relief under Rule 16.1d. But interference does not exist if the seam only interferes with the player's stance.
7. **WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS:** White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.
8. **WOOD CHIPS AND MULCH:** Are loose impediments.
9. **INTEGRAL OBJECTS:** Include objects, such as cables, rods, wires or wrappings, when closely attached to trees and boundary objects, and artificial walls and pilings when located in penalty areas or in or adjacent to bunkers, and bunker liners. An exposed bunker liner may be treated as ground under repair, but interference does not exist if the liner interferes only with the player's stance.
10. **BALL DEFLECTED BY POWER LINE:** Model Local Rule E-11 as prescribed in Section 8 of the Committee Procedures is in effect. If it is known or virtually certain that a player's ball hit a permanent power line, tower, or a wire or pole supporting a power line during the play of a hole, the player must replay the stroke by playing the original ball or another ball from the spot where that stroke was made (see Rule 14.6).
