DIRECTOR'S INFORMATION

Additional information is available on the OSAA website, <http://www.osaa.org/activities/bnd>

1. **CHECK-IN:**

- A. Upon arrival, the director shall check-in at the registration table in the lobby of the performance area.
- B. Please provide the registration clerk a map of the stage set-up for your group.

C. **Musical Scores:** (*Excerpt 2024-25 Band/Orchestra Handbook*)

4.5. Musical Scores. Three complete original scores or authorized copies of all music performed must be presented to the adjudicators.

4.5.1. Score measures must be consecutively numbered.

4.5.2. Scores must be labeled with school name and classification.

4.5.3. Penalty for provision of unauthorized photocopied scores to adjudicators. U.S. Copyright laws prohibit the use of photocopies unless approval is obtained from the publisher or their agent. The penalty for the provision of unauthorized photocopies shall be disqualification of the group from consideration for State participation.

2. **STAGE SET-UP/BREAK-DOWN:** There will be a crew to set the stage with chairs and stands. Members of the percussion section, along with adults and students designated by the director, may enter ahead of the full group to assist in stage set up prior to the first step on the stage that starts the on-stage clock. In addition, the designated adults and students may help in removal of all percussion equipment after the performance, exiting from the front of the stage. The timer shall notify the director when the chairs and stands are set and the on-stage time will begin. The timer shall not provide additional time for percussion set up. For this event to be fair for everyone, we need to respect the time schedule so that all groups can prepare and perform to the best of their abilities.

3. **EQUIPMENT PROVIDED ON STAGE:** Four timpani, xylophone, bass drum, piano, bells, chimes, vibes, 2 marimba, gong, 2 trap tables, chairs, stands and a podium. Groups will need to bring their own extension cords for amps, snare drums, cymbals, miscellaneous percussion, mallets and sticks.

4. **EQUIPMENT STORAGE:** Due to limited space, all equipment should be left on your bus until about an hour prior to your warm-up time. At that time, students may either leave their cases on the bus or leave them in the equipment storage room and take their instruments to the warm-up room. Following the performance, equipment will need to be immediately removed from the storage area. More than one group will be using the storage area at any one time, so you will need to cooperate with one another to help make the transition a smooth one.

5. **DEPARTURE PACKETS:** Following the awards ceremony, each director shall pick up his/her school's departure packet. This packet will include –

- A. Musical scores provided from adjudicators
- B. Rating sheets

C. Participant gifts

6. **MUSIC ETIQUETTE GUIDELINES:** Please encourage parents, school staff and administrators to attend and support your school's performance. Spectators will be allowed entry into the performance area only when the doors are open between groups. Please share these guidelines with your students.
7. **PERFORMANCE RECORDINGS:** Performance recordings will be provided.
8. **PERSONAL VIDEOTAPING:** Parents are welcome to videotape from the audience if they do so in such a way that it does not block the view of other spectators.
9. **PHOTOGRAPHY:** The OSAA will provide each school one photographer credential that will grant access to the balcony during that school's performance. This credential will be in each school's arrival packet and must be returned at the end of the school's performance. **This does not allow the photographer free entrance into the State Championships; it only allows access to the balcony during their school's performance. Photographers must remain at least two rows behind the adjudicators.**
10. **SERVICE ANIMALS:** Trained guide dogs and service animals assisting guests are welcome at OSAA State Championships. All other animals are prohibited. All service animals must remain on a leash or in a harness, and be in full control of the handler, at all times. Handlers are responsible for any damage or injuries caused by their animals, must properly dispose of waste in appropriate containers and must take appropriate precautions to prevent property damage or injury.
11. **LOST AND FOUND:** During the event, Lost & Found will be at the OSAA Event Office or other location designated by the host facility / OSAA Staff. Beginning the first business day after the event, please contact the LaSells Center, <http://www.osubeavers.com/sports/2017/1/26/event-lost-and-found.aspx> or call 541.737.7240 to claim any missing items.
12. **AWARDS CEREMONY:** At the conclusion of the performances in a classification, the outstanding groups will be recognized. State Championship trophies will be awarded to 50% of the groups in each classification, up to a maximum of five awards. Schools that receive a trophy should also be prepared to photograph their trophy presentation during the awards ceremony.
13. **RESULTS:** <http://www.osaa.org/activities/bnd>

OSAA/OMEA Music Etiquette Guidelines

The Oregon School Activities Association, in cooperation with the Oregon Music Educators Association, has adopted the following guidelines for audience etiquette. These guidelines will be enforced at all OSAA-sponsored concerts, festivals, and competitions. They reflect behavior that assures courtesy to the performers and audience members alike.

- Concentrate your attention fully on the music.
- Do not talk or listen to audience members who talk while music is being played / sung.
- Applaud courteously at the end of the selection. Applause between movements of a work is not appropriate. Whistling and yelling are not appropriate at formal concerts. If you feel that a group gave a particularly exceptional performance, a standing ovation is an appropriate acknowledgment.
- Avoid making motions or noises which might distract other audience members or performers. Examples of distractions include (but are not limited to) audible foot tapping, bubble blowing, passing notes, conducting, the rustling of candy/cough drop wrappers, and jingling of jewelry.
- OSAA strives to provide exceptional performance venues at its competitions. Most concert auditoriums prohibit food or beverages inside the hall, and participants will respect this rule, whether or not it is posted.
- When entering or exiting the auditorium or performance room, do so only between ensembles, or if at state solo competition, between soloists.
- Do nothing which will interrupt or distract a judge or contest official from their duties. Allow them to focus their full attention on the performances. Enforce a quiet area around judges during time between performances when they are completing their evaluations.
- Listen for the beauty in the music, not the mistakes. Tell the performers what you enjoyed about their performance.
- Student musicians are reminded to please support the other performing groups with your attention and applause. As audience members and members of musical groups, treat the other performers as you would wish to be treated.
- Cell phones should remain off in the auditorium. It is impolite to talk or text on cell phones during performances.
