Subject: Para-Athlete Inclusion Expectations

We will be including four scoring para-athlete events at the OSAA / OnPoint Community Credit Union Track and Field State Championships. The 100M, 400M, 1500M, and Shot Put will be contested.

The top nine times statewide from league/conference/district meets combined in these events automatically qualifies regardless of gender or disability. Documentation of the disability must be provided to the OSAA prior to competing in the district meet. If more than nine students compete in district meets, the OSAA will explore splitting out the events by gender (creating 100M boys, 100M for girls, 400M for boys and 400M for girls, etc.).

The para-athlete division will include both wheelchair and ambulatory participants. Definitions of athletes eligible to compete in this division are as follows:

- Wheelchair - All athletes with a permanent physical disability on file with the school. All athletes in grades 9-12 must meet OSAA eligibility requirements.
- Ambulatory - All athletes shall have a permanent orthopedic, neuromuscular or other physical disability. This would include Visually Impaired, Cerebral Palsy, Dwarf and Amputees. Permanent orthopedic impairment shall be verified by a licensed physician and maintained on permanent file at the school. All athletes in grades 9-12 must meet OSAA eligibility requirements.

It is an expectation that those para-athletes who wish to attempt to qualify are participating in these events during the regular season and that they establish a qualifying time at the league/conference/district qualifying meet. The qualifying time established at the league/conference/district meet will be used to seed as many heats as necessary to accommodate the qualifying field for both events at the State Championships.

To facilitate training and competition for para-athletes it is recommended that all leagues/conferences/districts should include these para-athlete events in your event schedules this year. Prior to an event the host school should verify with their invited teams whether or not they have para-athletes who would like to participate in one or both of these events.
