SUBJECT: OSAA Football Ad Hoc Advisory Committee Update – January 11 Meeting

The Football Ad Hoc Advisory conducted its first public meeting of this school year in a hybrid model with most Committee members in-person at the OSAA Offices and several attendees via ZOOM. The goal of the Committee is to have a finalized recommendation for the Executive Board's February 6th meeting.

OSAA staff provided a summary of 14 pieces of correspondence received after the group's December meeting. The Committee received testimony from nine individuals either in-person or online representing seven different schools. At the completion of the testimony, the Committee convened into a work session to discuss a variety of topics and develop a draft of special districts for the 2023 season (see attachment). Other topics discussed include:

8-Player and 6-Player Football

The Committee spent considerable time discussing 1A football with the enrollment cutoffs, and the goal of 6-player football, which is to revitalize those schools who are not able to field an 8-player team. The committee supports considering potential changes to address cutoff points and roster sizes at the 2-year block (following next season) and participation opportunities for sub-varsity contests. Additionally, the Committee is waiting to see the final number of teams in both 8-player and 6-player football before making any final recommendations for 1A bracket sizes and league alignments for next year.

Play-Down Plan of Action

The Committee reviewed correspondence from schools wanting to play down as it continues to zero in on potential application criteria (Plan of Action) necessary for a school to submit with a play down request. Elements being considered include plans for future improvement in numbers of players; youth/middle school program information; coaching continuity/experience; roster sizes, weight room facilities, scheduling plans, and commitment to sub-varsity games. We would encourage schools who have met the criteria to play down to address these topics when requesting to play down moving forward.

Postseason Eligibility

The Committee continued to discuss creating a policy to allow a school to play down a classification from their original classification for an initial 2-year period. During that initial two-year period, those schools would be required to put together a Plan of Action as to how they will implement changes and move back into their original classification. This potential policy would state that, following the initial 2-year period, any school continuing to play down a classification would be ineligible for postseason play. The Committee hasn't reached consensus on this topic and is looking for input from member schools. The group plans to take this concept to the Athletic Directors for discussion and feedback at their annual State Conference in April.

Jamborees

The Committee is supportive of recommending that schools be allowed to have their players play in more than one jamboree within the same day or week, while maintaining the current limit of a total of 36-offensive snaps for an individual player. The group requested that OSAA staff develop language to this effect to bring back to the next meeting and for review later this Spring by statewide athletic directors.

The OSAA staff will provide a committee update, like this one, to all superintendents, principals, athletic directors, and football coaches following each meeting. The Committee roster, charge, and any additional committee information is available at http://www.osaa.org/governance/committees.

Written suggestions and proposals should be emailed to the OSAA at krisw@osaa.org. Any communication received by the OSAA will be shared with all committee members for review and discussion.

The next public meeting of the Football Ad Hoc Advisory Committee is Wednesday, January 25th, 2023, at 9:00am. The meeting will be conducted at the OSAA Offices in Wilsonville, and a Zoom option will also be available. The general format for the meeting will be for the Committee to receive public testimony followed by a closed work session. The goal is to have a recommendation ready for the February 6th Executive Board Meeting. The Committee appreciates your support and encourages your participation in this process.

Please contact Kris Welch (krisw@osaa.org) at the OSAA if you have any questions.
