WHO PARTICIPATES

All competing teams IN COSTUME. This is a "grand" long time tradition that the dancers are proud to be a part of, not to mention a great experience for the dancers to dance as one.

FINAL REHEARSAL

1. Dress in rehearsal clothes.
2. Please talk to team members about cooperation and no talking.
3. Please know your team # and the dance thoroughly before State. ("ONE" from "A CHORUS LINE") These songs are not straight off the soundtrack. You can download all versions possibly used and also view a video of a Grand Finale performance at <https://www.ddcaoregon.org/membership-resources>

PERFORMANCE

The Grand Finale will be performed after All State and Drill Down at the end of each night.

ROUTINE INFORMATION:

Each session has three pages of information following this page. Please check your assigned team number and position on the floor, and how many dancers should be in each line according to your reported count. There are always **hundreds** of dancers in each session, so it is important to follow the set information on single lines or team blocks. Line team members up walk in the center and short on the ends each line team blocks since teams may link up with other teams for the kick. Always anticipate some adjustments being made during the rehearsal. Everyone's patience will be appreciated!

LINE-UP POSITIONS BEFORE MUSIC STARTS:

1. All teams will line up on the floor to start. Teams will be excused by the announcer from their seats once on the floor, can get the "kick-line-hold" spacing.
2. Remember you are in full view of the audience when lining up:
 - a. No talking, moving quickly, etc. captains are responsible for their team.
 - b. Once spacing is set, stand at "attention" until announcer says "ready position." Hit opening pose: All teams will start down on their left knee, head/arms down (don't move), then be ready to smile and have a good time!!
