## OFFICIAL'S CODE OF ETHICS

Officials at interscholastic athletic events are participants in the educational development of high school students. As such, they must exercise a high level of self-discipline, independence, and responsibility. The purpose of this code is to establish guidelines for ethical standards of conduct for all OSAA officials.

**Officials** shall master both the rules of the game and the mechanics necessary to enforce the rules, and shall exercise authority in an impartial, firm, and controlled manner.

**Officials** shall work with each other and the Oregon School Activities Association in a constructive and cooperative manner.

**Officials** shall uphold the honor and dignity of the profession in all interaction with student-athletes, coaches, athletic directors, school administrators, colleagues, and the public.

**Officials** shall prepare themselves both physically and mentally, shall dress neatly and appropriately, and shall comport themselves in a manner consistent with the high standards of the profession.

**Officials** shall be punctual and professional in the fulfillment of all contractual obligations.

**Officials** shall remain mindful that their conduct influences the respect that student-athletes, coaches, and the public hold for the profession.

**Officials** shall, while enforcing the rules of play, remain aware of the inherent risk of injury that competition poses to student-athletes. Where appropriate, they shall inform event management of conditions or situations that appear unreasonably hazardous.

**Officials** shall take reasonable steps to educate themselves in the recognition of emergency conditions that might arise during the course of competition.

**Officials** shall maintain an ethical approach while participating in forums, chat rooms, and all forms of social media.

**Officials** shall serve as stewards of their sport and the officiating profession by positively representing themselves as officials and by refraining from making disparaging or derogatory comments regarding other officials, assignments, competition levels, teams, schools, or participants.

**Officials** shall maintain the highest level of professionalism, especially in high visibility situations like tournaments or state championships where their comments and behavior both on and off the court or field may be observed by schools, teams, participants, or spectators.
