# OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

---

The OSAA joins our 297 member high schools in welcoming you to the OSAA / OnPoint Community Credit Union State Championships!

Studies show, and our own personal experiences confirm, that participation in activities teaches students lifelong skills like grit, resilience, patience, and the ability to collaborate with peers. Participation allows for first-hand, real-world experiences of how to be a part of something bigger than yourself, plus the meaning of respect for self and others. Activities also provide students with an arena where they can learn how to fail and, more importantly, how their response and reaction to setbacks can propel them toward success.

Our member schools believe high school activities provide incomparable opportunities for our young people to practice a well-rounded education that challenges their bodies and minds. These participation opportunities help them develop into contributing members of society by enriching and expanding their overall school experience.

Congratulations to each participant, as well as the parents and fans, who continue to support students as they participate in activities that will help prepare them to succeed in their future endeavors. And please join us in thanking OnPoint Community Credit Union for sharing our belief in the importance and value of high school activities through their ongoing financial commitment.

We appreciate your continuing support of Oregon high school activities.

### About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

### It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

### Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

### What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

### Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

### OSAA Activities

The OSAA sponsors 113 team and 426 individual event state championships for students competing in 19 interscholastic activities:

#### Fall

Cross Country, Volleyball, Soccer, Football

#### Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

#### Spring

Speech, Solo Music, Choir, Band/Orchestra  
Golf, Tennis, Track & Field, Softball, Baseball
