## Charge to the Computation of ADM Task Force

### Membership:

Staff will develop a proposed roster that will contain Superintendents, Principals and Athletic Directors that represent the membership.

### Charge:

The OSAA Executive Board requests that the Computation of ADM Task Force investigates the following topics:

- The current use of ADMr and its true reflection of school population provided by the Oregon Department of Education
- The current computation formula used by the OSAA to classify schools
- The use of the Free and Reduced Lunch report provided by the Oregon Department of Education
- The use of a schools Free Lunch percentage and its percentage within the computation formula
- The structure of school districts and their use of alternative programing
- The growing list of associate members in the Association and those student's opportunity to participate
- Greater understanding of how school district report numbers to the Oregon Department of Education
- Greater understanding of the calculation that goes into ARMr reports provided by the Oregon Department of Education
- Strategies on if the use of Oregon Department of Education forms is desirable moving forward
- Review of other report cards from the Oregon Department of Education that could provide a better view of school populations as it relates to interscholastic participation.

The Task Force may forward recommendations for modifications to the OSAA Executive Board

### Meetings:

Meeting schedule will be determined once Tack Force is convened. Opportunities for public testimony to be determined by the Task Force. Updates will be issued to the membership after each meeting.
