Excerpt 2019-2020 OSAA Handbook, Rules

### 3. Rule 3 – Contests – Sportsmanship – Crowd Control.

- 3.1. The arrangement of all festivals, meets, contests or championships is the responsibility of the superintendent, assistant superintendent or high school principal, subject to the Regulations of the Association.
- 3.2. When a festival, meet, contest or championship is in progress, the National Federation of State High School Associations (NFHS) rules governing such activities shall apply, except for specific deviations as approved by the Executive Board.
- 3.3. **Sportsmanship Responsibility.** The high school **administration**, coach and other responsible officials of each member school shall take all reasonable measures to ensure that the school's coaches, players, students and **spectators** maintain a sportsmanlike attitude **at** all events so that events may be conducted without unreasonable danger or disorder. All cheers, comments and actions shall be in direct support of one's team. **Discriminatory harassment and bullying behavior will not be tolerated. Discrimination is defined as (OAR 581-021-0045(1)(a)) "any act that unreasonably differentiates treatment, intended or unintended, or any act that is fair in form but discriminatory in operation, either of which is based on age, disability, national origin, race, color, marital status, religion, sex, and sexual orientation." Harassing conduct may take many forms, including verbal acts and name-calling; graphic and written statements, which include use of cell phones or the Internet; or other conduct that may be physically threatening, harmful, or humiliating. Examples include but are not limited to hazing, intimidation, bullying, cyberbullying or menacing another, or engaging in behavior deemed by the member school to endanger the safety or well-being of students, employees, self or others. Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents. Harassment creates a hostile environment when the conduct is sufficiently severe, pervasive or persistent, so as to interfere with or limit the ability to participate in or benefit from the services, activities, or opportunities offered by a school. This includes the use of, or engagement in, abusive verbal expression or physical conduct, especially if that conduct interferes with the performance of students, staff, event officials or sponsors of interscholastic activities.**
- 3.4. **Spectator Conduct.** *The following expectations regarding spectator conduct at all OSAA sanctioned events, including regular and post season competition, are provided. Those violating or threatening to violate the following Association rules or site management spectator conduct expectations, may be ejected from the premises, issued a trespass citation, excluded from sanctioned activities temporarily or permanently and/or referred to law enforcement officials.*
  - 3.4.1. *All cheers, comments and actions shall be in direct support of one's team. No cheers, comments or actions shall be directed at one's opponent or at contest officials. Some examples of unacceptable conduct include but are not limited to: disrespecting players by name, number or position; negative cheers or chants; throwing objects on the playing surface; use of derogatory or racially explicit language; discriminatory harassment or conduct that creates a hostile environment that is disruptive to the educational environment.*
  - 3.4.2. *Spectators shall not be permitted to use vulgar/offensive or racially/culturally insensitive language or engage in any racially/culturally insensitive action.*
- 3.5. **Complaint Process.** *The OSAA will sanction schools whom it has found negligent in the duties of reasonably protecting those involved in interscholastic activities from derogatory or inappropriate names, insults, verbal assaults, profanity, ridicule or engaging in behavior deemed by the member school to endanger the safety or well-being of students, employees, self or others.*
  - 3.5.1. *OSAA will acknowledge receipt of the complaint within 48 hours.*
  - 3.5.2. *OSAA may prioritize the investigation of complaints based on information received.*
  - 3.5.3. *Complaints deemed to be employee or student discipline matters only shall be returned to the complainant. Matters of employment and/or employee discipline which can best be resolved through*

*the school district's complaint process include but are not limited to: playing time, team level assignments (Varsity/JV), assignment of a student to a specific coach, equipment use, or dissatisfaction with a contract or payment term. Matters of student discipline which can best be resolved through the school district's complaint process include but are not limited to: academic eligibility, drug/alcohol use, playing time or playing position, specific workout requirements, or dissatisfaction with a calendar, schedule or event location.*

3.5.4. *Complaints must include the complainant's name and contact information (phone and email or mailing address). Anonymous complaints shall not be considered.*

3.5.5. *Every effort will be made to complete the investigation process within 30 days; however, should the investigation require more time, a 30-day status update shall be provided.*

3.5.6. *To assist in investigation of the complaint, complainants are asked to note the following:*

(a) *Complaints are only accepted on the official online form and each section of the Complaint Form must be completed. (Complaint Form)*

(b) *Complaints which are determined to be outside the scope of the OSAA will be returned to the complainant via the contact address provided. See Rule 3.5.3 for guidance.*

(c) *Whenever possible, provide first-hand accounts, with names and contact information of witnesses.*

3.6. **Sportsmanship Violations/Penalties.** *When the coaches, players, students, staff or spectators of any member school engage in unsportsmanlike conduct, **discriminatory harassing behaviors, act in a manner disruptive to the school environment, or cause** disorder or infliction of damage to persons or property in connection with any festival, meet, contest or championship sponsored by this Association, the Executive Board may treat such acts as a violation by the school of the Rules of the Association **and the school shall be subject to penalty. Penalties may vary depending on the actions taken by the school and/or school district during and after the event as it relates to trespassing spectators involved, removing players/coaches from the team for a period of time, requiring additional education/training, etc. Upon a ruling by the Executive Director or by the Executive Board the member school may be subject to probation, mandatory appearance before the Executive Board, required plan of action, forfeitures, fines, lack of institutional control penalties, suspension of membership or expulsion from the Association as determined by the Executive Board. The Executive Director or the Executive Board may determine that no penalties are necessary when an incident has been handled appropriately and in a timely fashion by the school and/or district.***

1. Q. Is the host school exclusively responsible for crowd control?

A. No. While the host school for any activity must assume a primary responsibility for the physical management of the activity, including providing for crowd control, this is a mutual responsibility. The visiting school also must take such measures as are necessary to insure proper behavior on the part of its own students and fans.

2. Q. May home team schools display signs and/or banners at their home venues?

A. Yes, home team schools may display "permanent" signs and/or banners that are positive / supportive at their home venues. Examples are welcome signs, in-season rosters, league banners, league / state championship banners and sportsmanship banners.

3. Q. Are "run through" signs allowed?

A. Yes, so long as the message is positive/supportive.

4. Q. May visiting schools bring signs and/or banners to hang at the host school's venue?

A. No.

5. Q. *May spectators have signs at events?*

A. *Spectators are not permitted to have signs or banners larger than 8-1/2 x 11 inches. "Fathead" type items are considered signs and shall not be larger than 8-1/2 x 11 inches. Spectators are required to wear shirts.*

6. Q. *May a spectator have an artificial noisemaker?*

A. *No, spectators are not permitted to have artificial noisemakers. Some examples of artificial noisemakers are Thunder Stix, cowbells, clappers and air horns.*

7. Q. May a school use an artificial noisemaker at specific times during athletic events?  
A. In limited cases, yes. An example of an allowable use of artificial noisemakers by a school would be the firing of a cannon or the ringing of a bell after a touchdown is scored.
8. Q. May spectators use small, handheld megaphones?  
A. Yes, **provided they are not electric**. Only cheerleaders are allowed to use large megaphones. Neither cheerleaders nor spectators may use megaphones for banging on the floor or bleachers.
9. Q. What are some examples of cheers that do not encourage a positive atmosphere?  
A. Any yell that is intended to antagonize an opponent detracts from a positive atmosphere. "Air Ball! Air Ball!" booing, "You! You! You!", or "You Got Swatted!" are examples of yells that will not encourage a positive atmosphere. Conversely, a positive atmosphere is created when fans focus on positive yells in support of their team, rather than on negative yells attacking their team's opponents. **Spectators shall not turn their heads or hold up newspapers during team introductions, or jeer at cheerleaders during opposing team introductions.**
10. Q. May students stand on the bottom row of the bleachers?  
A. Yes, but when they sit down, they must be seated on the second row.
11. Q. May students cheer during serves in volleyball and free throws in basketball?  
A. Yes, so long as they are just "making noise" and not specifically addressing a contest official or an individual player from the opposing team.
12. Q. May a school use balloons at an athletic event?  
A. Yes, a host school may use balloons for decoration. However, fans may not have balloons, and balloons may not be placed by the school in any manner that would block spectator viewing.
13. Q. May a school use balloons at a state championship final site?  
A. No.
14. Q. May spectators have oversized foam fingers at athletic events?  
A. Yes, they are allowed so long as they are not blocking spectator viewing.
