March 2, 2017

TO: Superintendents, Principals and Athletic Directors

FROM: Kyle Stanfield, Assistant Executive Director
Brad Garrett, Assistant Executive Director

SUBJECT: Update on the Proceedings of the Classification and Districting Committee

The Classification and Districting Committee for the 2018-2022 four-year time block held its fifth public meeting at the Shriners Office's in Wilsonville on February 27, 2017 to receive testimony and review written communication thus far received.

The Committee initially received a review of the Classification and Districting Timeline and Process from Executive Director Peter Weber. Classification and Districting Committee Chair Curt Shelley also addressed those assembled and reviewed the charge to the committee and the criteria. The Committee received testimony from nearly 20 representatives from schools and leagues. The Committee then adjourned to a closed work session to review and discuss the testimony and written correspondence.

Following discussion, the Committee reached consensus on the following issues.

- The Committee felt that it was important to continue to distribute draft proposals to spur conversation from the membership. It's important to note that the Committee plans to support one of the classification approaches at the conclusion of their March 20 meeting. The Committee understands there are desires from constituents to review both six and five classification proposals. It's incredibly important for schools to send correspondence supporting or opposing which drafts they prefer so the committee can have a solid understanding of where the membership is. **We ask that all correspondence references the current proposals (Drafts 10, 11, 12 or 13).**
- The Committee believes that the majority of the 1A Classification want the upper cutoff point (89) to stay the same in the next time block regardless if it's a six or five class system. **At this time, the Committee is supporting the 1A cutoff number to be 89.**
- The Committee heard testimony from the membership to look at both classification structures with different, and in some cases drastic, cutoff points. In response to the membership's desire to review those options, the Committee is presenting four draft proposals with different cutoff points for schools to review.
- The Committee recognizes that there is a desire on the behalf of some schools to stay at the current six classification model. **The Committee has created Draft #10 & #11 – 6 Classification and is seeking feedback on the cutoff points, league alignments and school placements. Please note that these are draft proposals and are not a final recommendation.** (see draft #10 & #11 attached)
- The Committee recognizes that there is a desire on the behalf of some schools to explore a five classification model. **The Committee has created Draft #12 & #13 – 5 Classification and is seeking feedback on the cutoff points, league alignments and school placements. Please note that these are draft proposals and are not a final recommendation.** (see draft #12 & #13 attached)
 - Note: Draft #12 is a ratio driven approach in looking at classifications. An approximate ratio of 2.25 (between smallest and largest within a classification) was used to create classifications and league alignments.
- Over the past two meeting the Committee has felt a lack of support for the Football Only Classifications. At this time, the Committee is not submitting drafts for the membership to review. The Committee understand that after the classification structure is determined, the Football Only Classification could come back into conversation. The Committee knows that regardless of the classification structure and the support, or lack of support, for Football Only Classifications, special districting may be necessary at certain classifications.

Oregon School Activities Association
 25200 SW Parkway Avenue, Suite 1
 Wilsonville, OR 97070
 503.682.6722 fax: 503.682.0960 www.osaa.org

- The Committee has discussed geographic exceptions for schools. At this time, the committee goal is to create a system in which geographic exceptions are not used but they are willing to discuss those possible exceptions once a more solid structure is supported.

As the State Championship Committee begins in April, the Classification Committee Chairs and/or Executive Board Ex-Officios will be in contact with the progress of the Classification Committees work. Both committees understand the importance on their work related to one another.

The Committee appreciates your support and encourages your participation in this process. Please do not hesitate to contact Kyle Stanfield (kyles@osaa.org) or Brad Garrett (bradg@osaa.org) at the OSAA if you have any questions.

Written suggestions and proposals on these issues, as well as other classification related subjects should be mailed or emailed to the OSAA (bradg@osaa.org) Any communication received by the OSAA will be shared with all committee members for review and discussion. Public testimony will also be welcome at the next Committee meeting.

Specific classification proposals submitted to the Committee may be posted to the Classification and Districting Committee page on the OSAA website at <http://www.osaa.org/governance/committees#classification-and-districting-committee>. Proposals should address all classifications.

The next public meeting of the Classification and Districting Committee will be at 9am on Monday, March 20, 2017, at the OSAA office in Wilsonville. The general format for the meeting will be for the committee to receive public testimony in the morning followed by a closed work session in the afternoon.

The Committee will meet throughout this school year and will make its final recommendations to the OSAA Executive Board at the October, 2017, Special Classification and Districting Meeting.

A full list of meeting dates, Committee Roster, Charge to the Committee and previous Updates are available at the OSAA website: <http://www.osaa.org/governance/committees#classification-and-districting-committee>

Future Classification and Districting Committee Meeting Dates
