TO: Superintendents, Principals and Athletic Directors

FROM: Kyle Stanfield, Assistant Executive Director  
Brad Garrett, Assistant Executive Director

SUBJECT: Update on the Proceedings of the Classification and Districting Committee

The Classification and Districting Committee for the 2022-26 four-year time block held its first public meeting at the Holiday Inn Express, Wilsonville on August 23, 2021 to receive testimony and review written correspondence thus far received. The Committee will be utilizing a hybrid format for all meetings that allows both committee members and those seeking to provide input the option of participating in-person or via webinar. The public portion of all meetings will be streamed live to the OSAA YouTube channel.

After Committee introductions, the group received a review of the changes to the Computation of ADM since the last time-block, a review of the Committee standing charge and additional charges from the OSAA Executive Board, a review of the timeline and an explanation of the meeting and testimony procedure. The reviews were conducted by OSAA Executive Director Peter Weber, Assistant Directors Brad Garrett and Kyle Stanfield and Committee Chair Misty Wharton.

There have been significant changes since the conclusion of the last Classification and Districting Committee in 2017. Beyond the changes to the Computation of ADM and timeline for the process (memo can be found [HERE](#)), the Executive Board also confirmed that the ***OSAA Football Ad Hoc Advisory Committee is again charged with reviewing and providing recommendations related to football classifications, districts and structure during the new time block.*** Football Ad Hoc intends to convene after the conclusion of the regular season to begin deliberations on recommendations to be forwarded to the Executive Board for review and consideration at their February 2022 meeting.

The Committee wants to remind the membership that all play up, play down, geographic exceptions, cooperative sponsorships and independent status petitions dissolve with every time block (i.e. the end of this year). Schools wishing to apply for a play up or play down request must do so by October 1.

The Committee received testimony from two individuals in person and 33 individuals watched the meeting live stream via the OSAA's YouTube channel.

The Committee then adjourned to a closed work session to review and discuss the testimony, written correspondence, and documents prepared by the OSAA staff prior to the meeting.

The following were items of discussion by the group with points of emphasis **underlined and bolded.**

- The Committee felt that it was important to distribute draft proposals as soon as possible to spur conversation from the membership. With the condensed timeline of the process, it is imperative to get conversations started immediately. The Committee understands there are desires from constituents to review both six and five classification proposals.
- The Committee has created **Draft #1 – 6 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.**
- The Committee has created **Draft #2 – 5 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.**
- The Committee understands that there are pro's and con's to each system and that a school's placement is a very important decision for many communities. Throughout the last time-block conversations of more schools in a league, more schools in a classification, less travel and more competitiveness were all expressed. The Committee acknowledges that achieving desired outcomes for all 295 schools and their unique circumstances is not possible. The Committee is focused on addressing as many identified issues as possible moving forward.

The Committee appreciates your support and encourages your participation in this process. Please do not hesitate to contact Kyle Stanfield ([kyles@osaa.org](mailto:kyles@osaa.org)) or Brad Garrett ([bradg@osaa.org](mailto:bradg@osaa.org)) at the OSAA if you have any questions.

Written suggestions and proposals on these issues, as well as other classification related subjects should be emailed to the OSAA ([bradg@osaa.org](mailto:bradg@osaa.org)) Any communication received by the OSAA will be shared with all committee members for review and discussion. Public testimony in person or online will be welcome at the next Committee meeting.

Specific classification proposals submitted to the Committee may be posted to the Classification and Districting Committee page on the OSAA website at <http://www.osaa.org/governance/committees#classification-and-districting-committee>. Proposals should address all classifications.

The next public meeting of the Classification and Districting Committee will be at 1pm on Monday, September 13, 2021 following the Executive Board Meeting at the Holiday Inn Express, Wilsonville. The general format for the meeting will be for the committee to receive public testimony followed by a closed work session.

The Committee will meet a handful of times throughout the Fall and will make its final recommendations to the OSAA Executive Board at the December 13, 2021 meeting.

A full list of meeting dates, Committee Roster, charge to the Committee and Computation of ADM information are available at the OSAA website: <http://www.osaa.org/governance/committees#classification-and-districting-committee>
