TO: Superintendents, Principals and Athletic Directors

FROM: Kyle Stanfield, Assistant Executive Director
Brad Garrett, Assistant Executive Director

SUBJECT: Update on the Proceedings of the Classification and Districting Committee

The Classification and Districting Committee for the 2022-26 four-year time block held its second public meeting at the Holiday Inn Express, Wilsonville on September 13, 2021 to receive testimony and review written correspondence thus far received. The Committee will be utilizing a hybrid format for all meetings that allows both committee members and those seeking to provide input the option of participating in-person or via webinar. The public portion of all meetings will be streamed live to the OSAA YouTube channel.

After Committee introductions, the group received a review of the changes to the Computation of ADM since the last time block, a review of the Committee standing charge and additional charges from the OSAA Executive Board, a review of the timeline and an explanation of the meeting and testimony procedure. The reviews were conducted by OSAA Executive Director Peter Weber, Assistant Directors Brad Garrett and Kyle Stanfield and Committee Chair Misty Wharton.

There have been significant changes since the conclusion of the last Classification and Districting Committee in 2017. Beyond the changes to the Computation of ADM and timeline for the process (memo can be found [HERE](#)), the Executive Board also confirmed that the ***OSAA Football Ad Hoc Advisory Committee is again charged with reviewing and providing recommendations related to football classifications, districts and structure during the new time block.*** Football Ad Hoc intends to convene after the conclusion of the regular season to begin deliberations on recommendations to be forwarded to the Executive Board for review and consideration at their February 2022 meeting.

The Committee wants to remind the membership that all play up, play down, geographic exceptions, cooperative sponsorships and independent status petitions dissolve with every time block (i.e. the end of this year). Schools wanting to apply for a play up or play down request must do so by **October 1.**

The Committee received testimony from three individuals in person and 14 individuals watched the meeting live stream via the OSAA's YouTube channel.

The Committee then adjourned to a closed work session to review and discuss the testimony, written correspondence, and documents prepared by the OSAA staff prior to the meeting.

The following were items of discussion by the group with points of emphasis **underlined and bolded.**

- The Committee felt it was important to reinforce to the membership that these Classification and Districting proposals **do not** include the sport of football. As mentioned, the Football Ad Hoc Committee will begin their work later this year to discuss football separately. Some of the Football Ad Hoc work will start from the overall structure of the Classification and Districting Committee's recommendations but football will continue to be discussed separately.
- The Committee understands that the beginning of the school year is very busy for all school personnel. With that being said, it's also vitally important to hear back from the membership on their thoughts, preferences or modifications to the classification proposals. The Committee also welcomes classification proposals from the membership. Constructive feedback is necessary from the membership to allow the committee to fulfil their charge. Please take a moment to review and send in correspondence to Brad Garrett (bradg@osaa.org).

- The Committee has created **Draft #3 – 6 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.** This alignment tries to keep the current structure as best as possible. In comparison to Draft #1 – 6 Classifications, the changes include but are not limited to: honoring four play up requests, adjustments to cutoff numbers for the 2A classification, and 4A-3 / 4A-4 realignments.
- The Committee has created **Draft #4 – 5 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.** This alignment attempts to create larger regional leagues where possible. It is inevitable that removing a classification will increase the percentage between the largest and smallest possible school in the classification. In comparison to Draft #2 – 5 Classifications, the changes include but are not limited to: honoring four play up requests, larger leagues at the 6A level, adjustments to cutoff numbers for the 4A, 3A, and 2A classifications.
- The Committee understands that there are pro’s and con’s to each system and that a school’s placement is a very important decision for many communities. Throughout the last time block conversations of more schools in a league, more schools in a classification, less travel and more competitiveness were all expressed. The Committee acknowledges that achieving desired outcomes for all 295 schools and their unique circumstances is not possible. The Committee is focused on addressing as many aspects of their charge as possible while knowing that each aspect of the charge is interrelated to the next.

The Committee appreciates your support and encourages your participation in this process. Please do not hesitate to contact Kyle Stanfield (kyles@osaa.org) or Brad Garrett (bradg@osaa.org) at the OSAA if you have any questions.

Written suggestions and proposals on these issues, as well as other classification related subjects should be emailed to the OSAA (bradg@osaa.org) **Any communication received by the OSAA will be shared with all committee members for review and discussion. Public testimony in person or online will be welcome at the next Committee meeting.**

Specific classification proposals submitted to the Committee may be posted to the Classification and Districting Committee page on the OSAA website at <http://www.osaa.org/governance/committees#classification-and-districting-committee>. Proposals should address all classifications.

The next public meeting of the Classification and Districting Committee will be at 1pm on Monday, October 11, 2021 following the Delegate Assembly Meeting at the Holiday Inn Express, Wilsonville. The general format for the meeting will be for the committee to receive public testimony followed by a closed work session.

The Committee will meet a handful of times throughout the Fall and will make its final recommendations to the OSAA Executive Board at the December 13, 2021 meeting.

A full list of meeting dates, Committee Roster, charge to the Committee and Computation of ADM information are available at the OSAA website: <http://www.osaa.org/governance/committees#classification-and-districting-committee>
