SUBJECT: Update on the Proceedings of the Classification and Districting Committee

The Classification and Districting Committee for the 2026-30 four-year time block held its first public meeting at the OSAA office in Wilsonville on August 25, 2025, to receive testimony and review written correspondence thus far received. The Committee will be utilizing a hybrid format for all meetings that allows both committee members and those seeking to provide input the option of participating in-person or via webinar. The public portion of all meetings will be streamed live and archived to the OSAA YouTube channel.

After Committee and staff introductions, the group received a review of the Committee's standing charge and additional charges from the OSAA Executive Board, along with a review of the timeline and an explanation of the meeting and testimony procedure. The reviews were conducted by OSAA Executive Director Peter Weber and Committee Chair Iton Udosenata, Superintendent of Tigard-Tualatin School District.

The Committee received testimony from four people (one online and three in-person). The Committee then adjourned to a closed work session to review and discuss the testimony, written correspondence, and materials gathered by the OSAA staff.

OSAA Staff shared updated ADM figures with Committee members that were recently completed upon receipt of needed data from the Oregon Department of Education. OSAA Staff have updated the [2025-26 Regular Districts](#) to include these updated enrollment figures that will be used throughout the Committee's process.

The Committee wants to remind the membership that all play up, play down, cooperative sponsorships and independent status petitions dissolve with every time block (i.e. the end of this school year). Schools wishing to submit a play up or play down request should do so as soon as possible to give the Committee time to adjust its recommendations as needed.

OSAA Staff also confirmed, based on conversations with the OSAA Executive Board, that the OSAA Football Ad Hoc Committee is again charged with reviewing and providing recommendations related to football classifications, districts and structure during the new time block. The OSAA Football Ad Hoc intends to convene after the conclusion of the regular season to begin deliberations on recommendations to be forwarded to the OSAA Executive Board for review and consideration at their February 2026 meeting.

The following were items of discussion by the group with points of emphasis **underlined and bolded**.

- The Committee understands from feedback already received that member schools want to review both six and five classification proposals.
- The Committee felt that it was important to distribute draft proposals as soon as possible to elicit feedback from member schools.
- The Committee has created Draft #1 – 6 Classification and is seeking feedback on the cutoff points, league alignments and school placement. **Please note that this is a draft proposal and is not a final recommendation.**
- The Committee has created Draft #2 – 5 Classification and is seeking feedback on the cutoff points, league alignments and school placement. **Please note that this is a draft proposal and is not a final recommendation.**
- The Committee understands that there are benefits and drawbacks to each approach and that a school's placement is a very important factor for school communities. The Committee readily acknowledges that achieving the desired outcome for each member school and their unique circumstances is simply not possible. The Committee is focused on addressing as many identified issues as possible moving forward.

**The next public meeting of the Classification and Districting Committee will be at 1pm on Monday, September 8, 2025, following the Executive Board Meeting at the OSAA office in Wilsonville.** The general format for the meeting will be for the committee to receive public testimony followed by a closed work session.

The Committee will meet a handful of times throughout the Fall and will forward its final recommendations to the OSAA Executive Board and Delegate Assembly for action at their December 15, 2025, meetings. (see schedule below)

Written suggestions and proposals on these issues, as well as other classification related subjects should be emailed to the OSAA ([kyles@osaa.org](mailto:kyles@osaa.org)). Any communication received by the OSAA will be shared with all committee members for review and discussion. Public testimony in person or online will be welcome at each upcoming Committee meeting.

Specific classification proposals submitted to the Committee may be posted to the Classification and Districting Committee page on the OSAA website at <http://www.osaa.org/governance/committees#classification-and-districting-committee>. Proposals should address all classifications.

A full list of meeting dates, agendas/updates, Committee roster, charge to the Committee, etc. are available on the OSAA website: <http://www.osaa.org/governance/committees#classification-and-districting-committee>.

The Committee appreciates your support and encourages your participation in this process. Please do not hesitate to contact Kyle Stanfield ([kyles@osaa.org](mailto:kyles@osaa.org)), Lauren Brownrigg ([lauren@osaa.org](mailto:lauren@osaa.org)), or Kelly Foster ([kellyf@osaa.org](mailto:kellyf@osaa.org)) at the OSAA if you have any questions.
