SUBJECT: Update on the Proceedings of the Classification and Districting Committee

The Classification and Districting Committee for the 2026-30 four-year time block held its third public meeting at the Holiday Inn Wilsonville on October 6, 2025, to receive testimony and review written correspondence thus far received. The Committee is utilizing a hybrid format for all meetings that allows both committee members and those seeking to provide input the option of participating in-person or via webinar. The public portion of all meetings are streamed live and archived to the OSAA YouTube channel.

After Committee introductions, the group received a brief review of the timeline and an explanation of the meeting and testimony procedure. The reviews were conducted by OSAA Executive Director Peter Weber and Committee Chair Iton Udosenata, Superintendent of Tigard-Tualatin School District.

The Committee received testimony from 19 people in person and six online. Testimony came from each classification, except for 1A. The Committee then adjourned to a closed work session to review and discuss the testimony, along with written correspondence received in advance of the meeting. More than 60 pieces of correspondence were received leading up to, and during, this meeting.

- The Committee received an update from the OSAA Executive Board regarding schools that had submitted Petitions to Play Down in advance of the October 1 deadline. OSAA Staff had proactively contacted schools that met the established criteria for a Petition to Play Down, including those that didn't meet the full criteria but met enough of the criteria to be considered for an appeal to play down. The OSAA Executive Board approved Petition to Play Down requests from the following schools:
 - o Chemawa – 2A to 1A
 - o Sheridan – 2A to 2A
 - o Irrigon – 2A to 2A
 - o Rogue River – 3A to 2A
 - o Sweet Home – 4A to 3A
 - o North Salem – 6A to 5A in 6-class system (stay 5A in a 5-class system)
 - o Aloha – 6A to 5A in 6-class system (stay 5A in a 5-class system)
- OSAA Staff also received confirmation of Petitions to Play Up from the following schools:

<ul style="list-style-type: none">o Benson (highest classification)o Jefferson, Portland (highest classification)o McDaniel (highest classification)o Roosevelt (highest classification)o Jesuit (highest classification)o Newberg (highest classification)o Central Catholic (highest classification)o Clackamas (highest classification)	<ul style="list-style-type: none">o Lake Oswego (highest classification)o Lakeridge (highest classification)o St. Mary's Academy (highest classification)o La Salle Prep (5A)o Parkrose (5A)o Banks (4A in 6-class system)o Cascade Christian (4A)o Trinity Lutheran (3A)
---	--
- The Delegate Assembly caucus groups met earlier in the day and discussed the current proposals (Drafts #3 and #4). General feedback showed that 6A schools strongly favor a 5-class approach. 5A schools were somewhat split between 6-class and 5-class. 4A schools were strongly in favor of a 6-class approach. 3A schools favor 6-class for competitiveness and 5-class for travel. 2A schools prefer 6-class. 1A schools noted they were the same in both systems.

- The Committee has created **Draft #5 – 6 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.**
In comparison to Draft #3 – 6 Classifications, the changes include:
 - 6A – Cutoff was not adjusted. Removed Aloha and North Salem based on approved petitions to play down. Removed Sandy based on them not requesting to play up in 6-class system. Added Newberg back to Pacific Conference based on confirmed play up request.
 - 5A – Lower end cutoff adjusted from 591 to 626. Added Sandy to East Metro Conference. Added Aloha to Northwest Oregon Conference based on approved petition to play down. Added North Salem to Mid-Willamette Conference based on approved petition to play down. Removed St. Helens and Crescent Valley per cutoff change.
 - 4A – Higher end cutoff changed from 591 to 625. Added St. Helens and moved Valley Catholic to Cowapa League. Moved Madras and The Dalles to Tri-Valley Conference. Added Crescent Valley to Oregon West Conference. Removed Sweet Home based on approved petition to play down. Added Ontario to Greater Oregon League based on them not requesting to play down.
 - 3A – Cutoffs were not adjusted. Split Lewis & Clark, PacWest and West Valley into four leagues of 5 or 6 schools based on geography. Added Sweet Home to Mountain Valley Conference based on approved petition to play down. Added Trinity Lutheran to Mountain Valley Conference based on confirmed play up request. Removed Ontario from Eastern Oregon League based on them not requesting to play down.
 - 2A – Cutoffs were not adjusted. Removed Chemawa based on approved petition to play down. Recognized petitions to play down (and stay at 2A) for Sheridan and Irrigon. Moved Enterprise from Wapiti League to Blue Mountain Conference to balance these two adjacent leagues. Removed Trinity Lutheran from East Cascades Conference.
 - 1A – Cutoff was not adjusted. Added Chemawa based on approved petition to play down.
- The Committee has created **Draft #6 – 5 Classification and is seeking feedback on the cutoff points, league alignments and school placement. Please note that this is a draft proposal and is not a final recommendation.**
In comparison to Draft #4 – 5 Classifications, the changes include:
 - 5A – Cutoff was not adjusted.
 - 4A – Cutoffs were not adjusted. Removed Sweet Home based on approved petition to play down. Added Cascade Christian based on confirmed request to play up. Added Ontario to Greater Oregon League based on them not requesting to play down. Split out Greater Oregon League into two leagues by adding Central Oregon League.
 - 3A – Cutoffs were not adjusted. Split Lewis & Clark, PacWest and West Valley into four leagues of 5 or 6 schools based on geography. Added Sweet Home to Mountain Valley Conference based on approved petition to play down. Added Trinity Lutheran to Mountain Valley Conference based on confirmed play up request. Removed Ontario from Eastern Oregon League based on them not requesting to play down. Removed Cascade Christian from Southern Oregon Conference based on confirmed request to play up. Removed Rogue River based from Southern Oregon Conference based on approved petition to play down. Combined Southern Oregon Conference and Far West League into one larger league.
 - 2A – Cutoffs were not adjusted. Removed Chemawa based on approved petition to play down. Recognized petitions to play down (and stay at 2A) for Sheridan and Irrigon. Moved Enterprise from Wapiti League to Blue Mountain Conference to balance these two adjacent leagues. Added Rogue River to Sunset Conference based on approved petition to play down. Removed Trinity Lutheran from East Cascades Conference.
 - 1A – Cutoff was not adjusted. Added Chemawa based on approved petition to play down.
- The Committee intends to narrow their attention to one classification structure coming out of their October 27 meeting. This will allow them to focus on cutoff points, league alignments, and school placements even further to best meet their charge and the desires of member schools.
- The Committee continues to receive a few pieces of correspondence related to how students are counted for ADM purposes, including suggestions to eliminate any socioeconomic factor, force private schools to higher classifications, and move to counting all 9-12 students. This is in addition to earlier proposals that reference utilizing school participation figures either instead of or, more likely, in addition to enrollment figures. The Committee remains committed, per its charge, to using the Computation of ADM enrollment figures outlined in the OSAA Handbook. This is similar to prior to the pandemic two classification cycles ago when concerns over how students were counted, especially associate member/alternative school students, were raised by member schools. The OSAA Executive Board at that time formed the Computation of ADM Task Force to meet following the conclusion of the classification process and suggest changes to policy which is where current policies were formed. The Committee plans to

recommend that the OSAA Executive Board reconvene that task force following the conclusion of this process to determine desired changes moving forward.

- The Committee understands that there are benefits and drawbacks to each approach and that a school's placement is a very important factor for school communities. The Committee readily acknowledges that achieving the desired outcome for each member school and their unique circumstances is simply not possible. The Committee is focused on addressing as many identified issues as possible while knowing that each aspect of the charge is interrelated.
- Note that all play up, play down, cooperative sponsorships, and independent status petitions dissolve with every time block (i.e. the end of this school year).

The next public meeting of the Classification and Districting Committee will be at 9am on Monday, October 27, 2025, at the Holiday Inn Wilsonville. The general format for the meeting will be for the committee to receive public testimony followed by a closed work session.

OSAA Staff previously confirmed, based on conversations with the OSAA Executive Board, that the OSAA Football Ad Hoc Committee is again charged with reviewing and providing recommendations related to football classifications, districts and structure during the new time block. The OSAA Football Ad Hoc intends to convene after the conclusion of the regular season to begin deliberations on recommendations to be forwarded to the OSAA Executive Board for review and consideration at their February 2026 meeting.

The Committee will meet a handful of times throughout the Fall and will forward its final recommendations to the OSAA Executive Board and Delegate Assembly for action at their December 15, 2025, meetings. (see schedule below)

Written suggestions and proposals on these issues, as well as other classification related subjects should be emailed to the OSAA (kellyf@osaa.org). Any communication received by the OSAA will be shared with all committee members for review and discussion. Public testimony in person or online will be welcome at each upcoming Committee meeting.

Specific classification proposals submitted to the Committee may be posted to the Classification and Districting Committee page on the OSAA website at <http://www.osaa.org/governance/committees#classification-and-districting-committee>. Proposals should address all classifications.

A full list of meeting dates, agendas/updates, Committee roster, charge to the Committee, etc. are available on the OSAA website: <http://www.osaa.org/governance/committees#classification-and-districting-committee>.

The Committee appreciates your support and encourages your participation in this process. Please do not hesitate to contact Kyle Stanfield (kyles@osaa.org), Lauren Brownrigg (lauren@osaa.org), or Kelly Foster (kellyf@osaa.org) at the OSAA if you have any questions.
