## Entering Schedules for 2025-2026

[www.osaa.org](http://www.osaa.org)

### 1. SELECTING A SCHOOL YEAR

- The OSAA website remembers your school year viewing preferences. Generally, you will be looking at the current school year (2024-2025.)
- Whenever you are looking at a past or future school year, you will see a yellow alert box and/or a green bar indicating which school year you are viewing.

NOTE: You're viewing future information for YYYY-YY. [Click here](#) to update your preferences to the current school year, YYYY-YY.

**THESE ALERT NOTIFICATIONS APPEAR WHENEVER VIEWING A PAST OR FUTURE SCHOOL YEAR.**

- The website sets the current school year as the default year to display. To change the school year, use the school year drop-down list located in the footer on every page.
  - In the footer of every page on the website, there is a "Year" drop-down located in lower-right.
  - To enter in schedules for next year (2025-2026), select "25-26" from the drop-down.
  - Once you make a selection to a different school year, your page will automatically refresh.
- The website will remember your choice until you change it back. You can change back by using the year drop-down select in the footer or by clicking the special links in the alert boxes.

**BE SURE TO DOUBLE CHECK WHICH SCHOOL YEAR YOU ARE LOOKING AT BEFORE ENTERING SCHEDULES.**

### 2. INPUTTING/EDITING A SCHEDULE

- Follow the regular steps to enter in or edit your team schedules. [OSAA Account Instructions](#)

**WHEN FINISHED, BE SURE TO RESET YOUR VIEW TO THE CURRENT SCHOOL YEAR**
