

Track & Field Clinics

Volunteers

Officials

USATF Oregon and

the OSAA are working together

to sponsor training clinics for everyone that likes to help or work at high school track and field meets.

We have two workshops available:

1. Training Volunteers

2. NFHS Officials Certification

March 9th, 2024

Central Oregon

Caldera High School

Bend, Oregon

60925 SE 15th Street

Volunteer clinic 12:00pm

Officials Clinics 1:00pm

Volunteer Clinic

We are offering clinics for volunteers from each of the schools in your league. The can include teachers, parents, students and community members.

Caldera High School
60925 SE 15th Street
Bend, OR 97702

A representative from your league would coordinate with Jerry Westfall to set up a date and time at the school of your choice. The can be during the week or on weekends to meet your schedules.

We will provide all the materials and information you need.

Volunteers attending will learn how to run T&F events and be better prepared for all home and district meets.

This will include:

- 1. Horizontal Jumps**
- 2. Vertical Jumps**
- 3. Throws**
- 4. Clerking**

Meet management forms will be given to each school. This will help standardize how your events are run through the league. The goal is to have your athletes and coaches better prepared for districts and state meet.

Officials Clinic

Training has begun, with the assistance of the OSAA, for new T&F high school officials across the state of Oregon. We are creating the same structure as the other OSAA high school sports (i.e basketball .. baseball)

Our clinics are done in workshops and / or online. The OSAA will be having the schools sign up on the website **Reftown**. We schedule officials through the website that currently have 170+ schools registered.

Using the Reftown Platform, officials are scheduled (if available), then schools are invoiced, and officials are paid. We currently do this with 150+ officials. (this has been up and running for 8 years)

There is no cost for the clinic but the **fee to register for certification is \$60.00** and can be completed at the clinic or on your own.

Schedule clinics in your area:

check: www.osaa.org/officials/tf for other scheduled clinics.

We train officials in all areas of track and field.

- 1. Track event**
- 2. Field events**

The specific steps are on the **next page**.

2024 Track & Field / XC Officials Registration Instructions

1. Go to www.osaa.org/officials/tf

2. Click the  button

3. Click to expand the section titled “2023-24 OSAA Registration (OR Local Assoc)”

4. Click the “Track – Outdoor” option

5. Login or create an ArbiterSports account

- When creating an account, you’ll need to enter your name, email address, and your mailing address
- You’ll need to provide your own account password
- When logging in, you may be prompted to enroll in multi-factor authentication (where logins are confirmed by text message)
- On first login, you will need to read and accept the ArbiterSports terms and conditions

6. Read the welcome message and input personal information

- Click the “Next” button to advance to the next step
- The “Personal Information” section will require your social security number and date of birth in order to process a background check

7. Ensure “Track – Outdoor” sport is selected and checked in the “Sports” step and answer the demographic questions in the “Questions” step

8. Complete all sections in the “B.G. Consent” step

- This section has multiple parts with terms that you must provide consent by clicking a check-box and/or typing in your full name
- Some sections require you to scroll to the bottom and check a box in order to progress by clicking the “Next >” button located at the bottom of the form

9. Do not worry about picking an association and continue to the “Payment” step

- Click the “Check Out” button to input payment information
- Choose a payment method, ensure your billing information is correct, and click the “Process Payment” button; you will receive an email confirmation with your receipt
