# OSAA / U.S. BANK / LES SCHWAB TIRES STATE CHAMPIONSHIPS

Welcome to the OSAA / U.S. Bank / Les Schwab Tires State Championships!

At the OSAA we believe high school activities provide opportunities for young people to receive a well-rounded education that challenges both mind and body. These opportunities enrich and expand our students' school experience and help them become contributing members of society.

Participation in activities teaches students how to be part of something bigger than themselves; the meaning of respect for themselves and others; and skills like grit, resilience, patience and the ability to collaborate with peers. They also learn how to fail and, more importantly, how to turn adversity into success through effort.

Congratulations to students, coaches, schools and communities who earned the right to participate in this state championship! And a special thanks to U.S. Bank and Les Schwab Tires for sharing our belief in the value of high school activities through their continued financial commitment. Together, we remain steadfast in our efforts to provide opportunities for students to experience these valuable lessons.

Thank you for your continued support of Oregon high school activities!

**Peter Weber**  
Executive Director, OSAA

On behalf of U.S. Bank, welcome to today's Oregon School Activities Association state championship!

We believe in building strong communities where we live and work. One way we demonstrate this commitment in Oregon is by supporting OSAA programs, which promote leadership, teamwork and sportsmanship in young people. Since 1984, U.S. Bank has been proud to support the OSAA and its 290 member schools, with more than four million dollars in contributions to date.

We extend our congratulations to all of the participants, coaches, families and fans here today. We look forward to our continued partnership with you in support of Oregon's young people

**Stacey Dodson**  
President, U.S. Bank  
Portland and Southwest Washington

**Welcome!**

**Teamwork.  
Responsibility.  
Accomplishment.**

Whether students are shooting for the hoop, marching in time or aiming for the end zone, they are practicing skills that will serve them well in school, on the job and in life.

At Les Schwab Tire Centers, we are proud of the players and performers of the OSAA. We are also excited to celebrate our 16<sup>th</sup> year of being a title sponsor. We believe in supporting students as they learn about commitment, hard work and serving the community — values the company believes in.

Today, throughout the state there are 295 high schools serving over 160,000 students. These schools help provide valuable education for our youth both in and outside the classroom to help make Oregon a better place to live. Thank you for being here and for supporting our great young people.

Les Schwab, *Doing the right thing matters.*

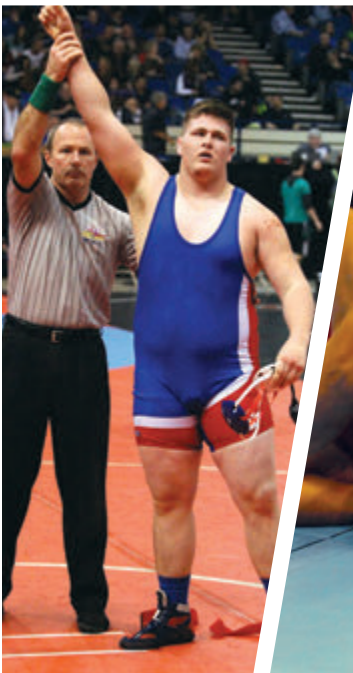

**WE BELIEVE  
IN CHANGING MORE  
THAN JUST TIRES.**

Our values aren't just something we talk about, they're something we act on. We are proud to be a title sponsor of the OSAA Wrestling State Championship! It's a great way for them to grow and learn the same sense of hard work and integrity that makes our state, and Les Schwab, strong.

## About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

## It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

## Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

## What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

## Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

## OSAA Activities

The OSAA sponsors 116 state championships for students competing in 19 interscholastic activities:

### Fall

Cross Country, Volleyball, Soccer, Football

### Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

### Spring

Speech, Solo Music, Choir, Band/Orchestra  
Golf, Tennis, Track & Field, Softball, Baseball

## Stephanie Matthews

**Residence:** Gresham, Ore.

**Hometown:** Aloha, Ore.

**High School:** Aloha 1986

**Professional:** Athletic secretary for David Douglas High School  
Previously I worked for Centennial School district for 12 years.  
Certified weight assessor for the OSAA  
President of Centennial Mat Club.  
I have also a passion for photography and have been taking sports photos for all of these years and sharing them freely with the athletes and their families. I am also the official photographer for the Oregon Wrestling Classic as well as the Oregon Hall of Fame banquet.  
I am currently on the board for the Oregon Wrestling Classic, the Mt Hood Conference District tournament as well as this State Tournament.  
In 2015 I was named "Person of the Year" at the Oregon Wrestling Classic.

**Coaching:** I started as a wrestling mom and coaches wife at Centennial Middle School in 2003. Once my son and husband moved up to the high school I took over the stat crew team and I have been training stat crew girls

for 14 years, recruiting from 6th grade up and have maintained a team of 15-18 girls that travel to tournaments with the team. These girls will run most or all of the tables and in some cases running the entire tournament. Often I train stat crew from other schools as well. I championed for these high school students to be the table help at the district and state tournaments during the time that only adults were allowed to do this. It made more sense to let the kids who were doing it all year long very well to get the opportunity to do it during these important tournaments. I train not only the old fashioned paper and team scoring but train for trackwrestling scoring and set up many tournaments for the table/clock/scoring with trackwrestling.

**Greatest impact:** I can with the utmost sincerity say that the person who has had the greatest impact on my life is my husband Roger Matthews. I did not know anything about wrestling before we met 30 years ago and when he became a coach both of our lives completely changed direction. Watching him coach I have learned so much and take so much of what he teaches into my own set of life skills. I watched him grow and change into the man he is today through wrestling and coaching. I love, adore and respect him more than I can put into words.  
I have grown to love the sport and what value it gives to our lives in so many ways so much so that it has become a passion of mine and a mission to keep this sport strong and alive.

**Sports impact:** Growing up with a single mother who had to work very hard to raise two kids on her own I did not have the opportunities to get involved with athletics. While I have no regrets for this I do think I missed out on some good things, however feel like I am getting back what I may have missed then 10 fold now.  
Wrestling has changed my life in an indescribable way and though I have not ever been on the mat as a competitor, I feel like the greatest lessons I have learned have come from this sport. Now it is my hope to be able to give back to the sport what it has given me and hope to share this with the young student athletes that I work with.

## Tony Jones

**Residence:** Coquille, Ore.

**Hometown:** Springfield, Ore.

**High School:** Springfield 1978  
Football and Westling

**College:** Last graduating class from Oregon  
College of Education - 1982 Bachelor of  
Science: Physical Education and Health  
Lewis and Clark College - 2001  
Master of Education

**Professional:** I have enjoyed a thirty, plus  
year career in education. During my career I  
spent a significant amount of time  
volunteering with the Oregon Wrestling  
Association and USA Wrestling. Some of the  
highlights of my experiences were: National  
Coach of the Year (USA Wrestling 1992),  
coordinating many state-wide and regional  
tournaments, serving as an international  
wrestling official, developing the OWA Cadet  
Division, coaching at the Olympic Sports  
Festival (1995), serving as the OWA State  
Chairman and leading wrestling teams on  
international tours and tournaments to  
Japan, China, New Zealand, Bulgaria, India  
and Russia.

**Coaching:** I served as the head wrestling  
coach at Southwestern Oregon CC (1997-  
2001) and Springfield High School (1984-87).  
Additional schools that I coached wrestling at  
were: Marshfield, Thurston and Central High  
Schools. During my coaching days at  
Marshfield, I also acted as the head coach of  
Boys Soccer, Girls Soccer and Boys Tennis at  
various times.

**Greatest impact:** The greatest influence in  
my life was my father. Even though he was  
only with me for my first fifteen years, he  
taught me many values that define who I am  
now. The ideals of honesty, integrity,  
sincerity and the benefits of hard work were

benefits that I was exposed to as a youth. His  
love for his family as well as others was  
unconditional; a gift that has left an indelible  
impression on me as a person, educator,  
husband and father. He was the most  
generous soul I have ever known and I am  
blessed to have had him as a dad.

**Sports impact:** I get an abundant amount of  
satisfaction in seeing a great number of  
athletes that I had a hand in coaching,  
participating in some role in athletics  
themselves. It is a true pleasure to go to a  
sporting event in Oregon and observe a  
former athlete leading a team, officiating or  
being a supportive parent. The fellowship  
that I continue to experience through  
personal connections in sports is truly a  
blessing.

## 2018 Button

The 2018 tournament button features an  
important part of wrestling: "The  
Takedown". 75% of matches are won by the  
wrestler securing the first takedown. The  
takedown opens the opportunity to gain a fall  
or near fall points.

This year's button features Larry Owings of  
Canby HS representing the University of  
Washington. His "modified fireman's carry"  
scored a 2-point takedown and a 2-point  
nearfall against unbeaten Dan Gable of Iowa  
in the 1970 NCAA Wrestling Championship  
finals.

Owings 13-11 victory is even today  
considered one of the greatest upsets in  
collegiate wrestling. Many Iowa fans still  
can't believe it happened.

# 2017-18 Membership

# **TEAMWORK. RESPONSIBILITY. ACCOMPLISHMENT.**

Whether students are shooting for the hoop, singing in choir, marching in time or aiming for the end zone, they are practicing skills that will serve them well in school, on the job and in life.

Les Schwab is proud of the players and performers of the OSAA. We believe in supporting students as they learn about commitment, hard work and serving the community — values the company believes in. We're glad to be a title sponsor of the OSAA, helping students get the chance to participate in the state playoffs and championships.

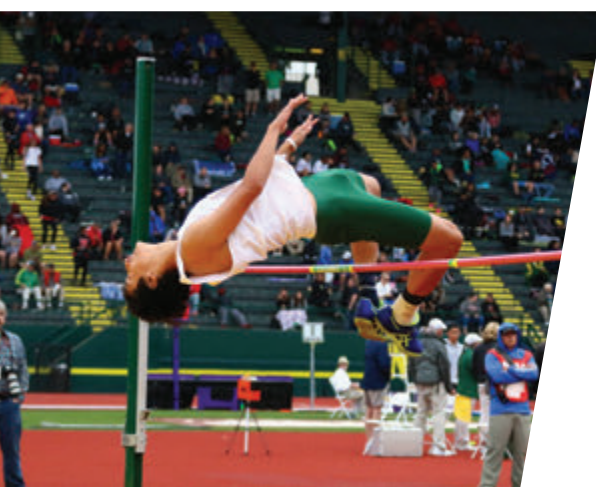

THANK YOU FOR BEING HERE AND FOR SUPPORTING OUR GREAT YOUNG PEOPLE.

## STATE CHAMPIONSHIPS SCORING PROCEDURES

Tournament scoring has three components: advancement points, bonus points and placement points. One or more of these may make up the points earned by each wrestler in any given round of the tournament.

### Advancement Points:

- Are awarded for each match won in either the championship or consolation bracket where the wrestler advances to a subsequent match in the tournament.
- A wrestler who receives a bye in a round where at least one match is wrestled receives additional advancement points by winning the next match.
  - For example, in the 3A classification there are four wrestlers in each weight class who may earn additional advancement points after receiving a bye in Championship Round 1.
  - However, in the 3A classification, no wrestlers receive advancement points in the consolation bracket after receiving byes in Consolation Round 1, as there are **NO** matches wrestled in Consolation Round 1.
- Wins in the championship bracket where the wrestler advances to a subsequent round earn two advancement points.
- Wins in the consolation bracket where the wrestler advances to a subsequent round earn one advancement point.

### Bonus Points:

- Are awarded for a major decision, technical fall, fall, injury default, disqualification or forfeit.
- Major decision: 1 bonus point
- Technical Fall: 1.5 bonus points
- Fall, injury default, disqualification or forfeit: 2 bonus points

### Placement Points:

- Individual placement points are awarded as earned. The placement points are different between some classifications in this tournament due to the different number of places being awarded.
- **6A, 5A, 4A, and 3A : Six places awarded**

In high school sports, you can be a part of something bigger than yourself.

You can be part of a team.

Wearing the uniform of your high school comes with a big responsibility. Your community cheers for you. Your teammates count on you. And you have the opportunity to make history by competing for a state championship. Do you have what it takes?

This message presented by the Oregon School Activities Association and the Oregon Athletic Directors Association.

# » #MY REASON WHY « *My Team*

They are like my second family.

After practices, we all go out to eat together. On weekends, we meet up to ride bikes or swim.

And when we play, it's not for the people up in the stands. It's not for the victory. It's just for us.
