TO: OSAA Volleyball Schools
FROM: Missy Smith, Assistant Executive Director
SUBJECT: 2023 Sub-Varsity Volleyball Format

Please note the following specifics in reference to **regular season dual formats for sub-varsity** volleyball matches.

1. Schools may play best 3/5 sets or best 2/3 sets for regular season dual sub-varsity matches.
2. Leagues need to determine, prior to submitting schedules to commissioners, which format they will adopt.
3. The officials' match fee is the same for best 3/5 sets and best 2/3 sets.
4. **The "extra set" is no longer allowed.**
5. If schools use best 3/5 sets format and time becomes an issue in each match, the two schools may agree to terminate the match prior to its completion. Both schools must agree prior to termination of the match.
6. Please be as consistent as possible with the format of your nonleague matches to assist your commissioner in scheduling of officials for those matches.
